Seismic Exam Updates Effective January 2020.

The California Board will begin using the 2019 CBC (2018 IBC) and the ASCE 7-16 as the building code and seismic load standard for CA Seismic Principles Exam starting in January 2020.

Currently Dr. Mansour is updating his 5 sesimic books to the 2019 CBC (2018 IBC) and ASCE 7-16.
Dr. mansour will be teaching a Live Seismic Class/Webinar on January 4, 5, 11, 12, and 18, 2020 based on the new seismic codes.

The IBC 2015 (CBC 2016) and ASCE 7-10 will be used through the remainder of all quarters in 2019.
