Download it for free from the Minecraft market! It's the season of giving, and in season, I give myself a day off from writing a clever intro to this article. So, without further ado, there is a free leather package that you can download from Minecraft Marketplace today! Our gift to you is 57Digital! This free leather package is part of our current season of providing Minecraft Marketplace sales, and is actually a second freebie, along with the legendary Phoneix from GoE Craft. Go to the Minecraft market on Xbox One, Nintendo Switch, Windows 10 versions, iOS and Android to help yourself both! PlayStation 4 players, Minecraft Marketplace is called a store on your platform, but head there and you'll find both of these pieces of content free to download for you too. Enjoy!
