Multimedia object copied . This. extra[].gst.message contains the string data. I want to remove the string data from this. extra[].gst.message. Please help me. A: From the details of your question, you want to remove extra[].gst.message from your output, so if that is what you want, you should be able to do this: \$ awk 'BEGIN {FS=OFS="\t"} {if (\$2 ~ /extraV.gst/){sub(/extraV.gstV", "", \$2)} print}' noattacheddata 520fdb1ae7
