Project X Full Movie In Hindi Download 720pKoree seemingly anonymous high school students are finally trying to make a name for themselves. Their idea is innocent enough – there's going to be a party that no one will forget, and they'll have a camera there to document history. But nothing prepared them for the party. Word spreads quickly when dreams are ruined, records are tainted and legends are born. It's Thomas Kub's 17th birthday and he just wants to throw a little party with his friends to help elevate his social status and maybe even be lucky. But when his best friend Costa starts calling radio stations and putting up ads on Craigslist, you can be sure that this party is really going out of hand really quickly. Screenshots?
