A Brighter Tomorrow

September 8, 2026

Dear Community Partner:

The **Greater Union Academy Alumni Association** is proud to host our annual signature event for the Bartow community, the **Nurturing Our Community Resource & Health Fair**.

Each year, our Alumni Association brings together community organizations, healthcare professionals, educational institutions, businesses, and residents for a day dedicated to health education, wellness, community resources, and meaningful connections. Our goal is simple: to educate, empower, and connect our community with the resources and information needed to live healthier and more productive lives.

A DAY DESIGNED FOR THE ENTIRE COMMUNITY

This year's event will begin with a Community Walk, encouraging participants to get moving and make healthy choices. We recognize that everyone may not be able to participate in the walk, so those who are unable to walk will have the opportunity to participate in a chair exercise program while the walk takes place.
Following the walk, participants will take part in a Health Panel featuring knowledgeable professionals addressing health concerns and issues that affect our community.

A CONVERSATION ABOUT MEN'S HEALTH

Our men's health component will provide men with an opportunity to participate in a private, open, and honest discussion about their health. During "A Conversation About Men's Health," men will dine together separately from the general luncheon while a guest speaker leads a heart-to-heart conversation about health concerns affecting men.

HEALTHY COOKING & NUTRITION DEMONSTRATION

A local college will participate in a special nutrition component, demonstrating how to create healthy meals and snacks that are practical, affordable, and enjoyable. This educational experience will provide participants with ideas they can take home and incorporate into their everyday lives. A light, healthy lunch will be provided for all participants.

COMMUNITY RESOURCES & HEALTH SCREENINGS

Throughout the event, attendees will have the opportunity to visit community vendors and resource organizations offering valuable information and services, including blood pressure checks, diabetes education, cancer awareness, hearing information, health and wellness resources, community services, educational resources, and much more. Participants will receive a Vendor Passport Card. Those who visit 10 or more vendors will be eligible to receive an event T-shirt, and door prizes will be awarded at the conclusion of the event.

BECOME A COMMUNITY PARTNER

We are inviting local businesses, healthcare organizations, corporations, foundations, educational institutions, civic organizations, and other community-minded partners to join us as sponsors. Community Partnership

COMMUNITY PARTNERSHIP SPONSORSHIPS

$100.00 – $2,500.00
