# SMART TUITION PAYMENT PLAN

**(REVISED: JANUARY 2018)**

St. Mary's has contracted with the Smart Tuition management company to manage tuition collection for the 2019-2020 school year. Enrollment in Smart Tuition is ***mandatory*** for every family unless you pay your tuition in full by June 30. Families may choose to be sent invoices from Smart Tuition or they may sign up for automatic monthly deductions from a specified bank account, or charges to a specified credit card. Every family that does not pay in full by June 30, 2019, will be billed a $45 enrollment fee from Smart Tuition ($20 if you pay in full by August 15) regardless of which payment plan they choose. This fee will be added to your first tuition payment. Payment arrangements through Smart Tuition must be completed by April 1, 2019. The earlier payment is begun, the smaller the monthly installments will be. A large down payment may be made to reduce the monthly cost.

To enroll in Smart Tuition go to **www.enrollwithsmart.com,** enter the school service code **11352** and fill in the online enrollment form. After you are enrolled you will receive a welcome message containing your log-in ID and password. A secure log-in ID and password enables you to view your tuition account 24 hours a day.

Payment in full must be completed by August 15, 2019. Any family that pays in full by June 30, 2019 is granted a $100 discount off the price of tuition, payment must be made directly to school not to Smart Tuition. Any family with more than one student enrolled at the same time will receive a $1,000 discount on each student after the first. All families, whether they choose to pay in full or make monthly payments, are asked to make a $1,000 non-refundable registration deposit towards tuition when they register for the new school year.

**No student will be allowed to begin taking classes without submitting the properly completed Registration and Health Forms, paying the $1,000 registration deposit and enrolling in Smart Tuition.**
