## **INNOVATION & ENTREPRENEURSHIP INTERNATIONAL COMPETITION** Shenzhen.China

### **Top 10 Startups Stood Out in Silicon Valley Sector Finale Ready for Shenzhen!**

1st China (Shenzhen) Innovation & Entrepreneurship International Competition,  
Silicon Valley Sector Finale Successfully Closed

The First China (Shenzhen) Innovation & Entrepreneurship International Competition (here in after referred to as the Competition) Silicon Valley sector was held successfully at Santa Clara Convention Center on March 19. The competition is sponsored by Shenzhen Municipal People's Government, and hosted by Longgang District People's Government of Shenzhen Municipality, Pingshan District People's Government of Shenzhen Municipality, the Human Resources and Social Security Administration of Shenzhen Municipality and the Science & Technology Innovation Committee of Shenzhen Municipality, with Tianan Cyber Park and SVIEF as the co-host for the competition's Silicon Valley sector.

Selected from over 200 applicants in Silicon Valley, only 20 teams got into the final pitch-off, with projects that covers 5 major fields: information technology, electronic science and technology, biological and life science and technology, advanced manufacturing, and material and energy.

Finale of Silicon Valley Sector

Quanovate, the first commercialized IoT mobile diagnostics platforms for home testing, has won the first place in this competition, and was awarded with a grand prize of 100,000 RMB.

### Quanovate and guest speakers

Besides, two winners of the second place went to ZLD Technology and Slietech; the third prize went to LeanFM, Dreamcatcher and PenguinSmart.

Top 6, guests speakers and judges

At the same time, top two projects from each of the five fields will be awarded to attend the global finale in the coming April.

## Top 10 from Silicon Valley Sector Finale

The competition is being reviewed by judge committee of senior investors and entrepreneurs that include Tiemin Zhao, Venture Partner of IPV Capital; Jonathan Qiu, Managing Director of Sky9 Capital; Chuck Ng from PreAngelPartners; Connie Sheng, the founding managing partner of Nautilus Venture; Scott Armanini, Global Lead of Open Innovation; Tao Wang , Director of SAIC USA; John Sun, Partner at Signularity Venture Partners; Hong Xue, Partner at Cybernaut Investment; Alex Wang, Partner at Skywood Capital; and Jay Onda, Partner and Director of Strategic Investments.

Judge Committee

As one of the largest-scaled innovation and entrepreneurship competition in Silicon Valley, the Silicon Valley sector competition had attracted hundreds of attendees, within whom are local entrepreneurs, VC capitalists and corporate executives. Many media partners such as Phoenix TV, Singtao Daily, World Journal and Sinovision all came to feature.
