

South Africa's scenic Eastern Cape is home to several private game reserves that offer excellent safari opportunities. These reserves are located at the far end of the scenic Garden Route, 1-2 hours drive from Port Elizabeth. They are very accessible and also malaria free.

Spot South Africa's famous wildlife: lions, giraffe, African buffalo, hippo and more! The animals do not migrate as the reserves are fenced, but they provide excellent wildlife viewing and nature experiences. We have chosen two unique destinations in the Eastern Cape for IFTA safaris and planned three-night adventures that allow for ample wildlife viewing and R&R.

Enjoy two game drives per day, in search of the Big Five and a wide variety of African flora and fauna. Delish meals are served communally, a wonderful opportunity to connect with friends and colleagues and relive the day's adventures. At both lodges, conservation and respect for the animals is top priority.

WOODBURY TENTED CAMP *in Amakhala Private Game Reserve*

Amakhala Private Game Reserve was created by a group of local landowners who combined their properties and it now consists of 75 square km of rolling hills, bushveld, and savannah. It is beautiful and tranquil... and home to lions, cheetahs, rhinos, giraffes, buffaloes, elephants, zebras, antelope and so much more.

Woodbury Tented Camp is a rustic family-run tented lodge with so much atmosphere. At this three-star bush camp you'll have your own sleeping tent tucked away in the bush on a raised platform with its own private balcony and en suite bathroom, providing a tranquil intimacy with nature. Enjoy beautiful views over the Busman's river floodplains from your tent's private deck or the lodge's swimming pool area and communal deck. Also on offer: horseback riding and bush walks.

LALIBELA LENTABA LODGE *in Lalibela Game Reserve*

Lalibela Lentaba Lodge is a luxurious 4-star game lodge located in the Lalibela Game Reserve. It is set on a hillside overlooking the reserve, and offers stunning views of the surrounding bushveld. The lodge features 10 thatched chalets, each with a private deck and bathroom. The chalets are spacious and comfortable, and are decorated in a traditional African style. Enjoy socializing or relaxing at the swimming pool, bar, restaurant, or boma (outdoor dining area).

The Lalibela Game Reserve is home to abundant wildlife, including elephant, lion, leopard, rhino, giraffe, zebra, and many more. The reserve is also home to over 300 species of birds. In addition to game drives, the lodge offers guided bush walks and bird watching, plus yoga and massage. Experience great game-viewing, excellent food, and the chance to completely unwind.
