喵坊簡介

About MilMill

全港首間紙包飲品盒及廢紙回收再生廠房。設備全靠太陽能產生之電力運作, 每天可處理50公噸各類廢紙製成再生紙漿。廠內設有教育中心可供團體參觀及教學, 成立至今已接待超過3萬名市民參觀。

Hong Kong's first recycling plant for beverage cartons and waste paper, fully powered by solar energy. With the capacity to process 50 tons of paper waste into recycled pulp every day, the facility also features an education center for school and community visits. Since opening, it has hosted more than 30,000 visitors.

喵坊亦設有社區流動回收活動車 "喵巴士", 到社區及學校進行回收服務及教育活動。

MilMill's community 'Mil Bus' brings recycling services and educational programs directly to schools and local communities.
