Sep 24, Sarah rated it liked it Shelves: read-in This may vary throughout the book series, but that's the general formula I'm going to follow. The Saddle Club basically taught me how to write. In my early fiction-writing days as a tween, the first fiction story of which I ever wrote more than ten pages concerned a Saddle-Club style group of friends who rode at a Pine Hollow-style stable, antagonised The Saddle Club: Horse Crazy & Horse Shy a Veronica-style mean girl and romanced The Saddle Club: Horse Crazy & Horse Shy a handsome, charming blonde of my very own creation.

Reading the first two books in the series for the first time in nearly a decade was a strange experience, but a comforting one.

It felt nice to revisit something I was so fond of as a child. However, these are definitely children's books. Not in the same way that one might classify Harry Potter or Percy Jackson as children's fiction -- those series' manage to blend demographics not only because of their nostalgia power over readers who grew up with them, but also because their content, themes, and execution transcend traditional categorisation, and their tone matures with each volume, essentially coming of age with the readers who grew up alongside Percy and Harry.

Clearly, it is unwise to get me started on the subjects of Harry Potter or Percy Jackson. Staying on topic? I don't know her. The Saddle Club, on the other hand, is settled very firmly in its genre.

It is very basic in every way; the language is simple, the morals are easy to grasp, and unlike more popular children's fiction I will The Saddle Club: Horse Crazy & Horse Shy talk about Harry Potter again I will not talk about Harry Potter The Saddle Club: Horse Crazy & Horse Shy the conflicts and trials that the characters experience are shallow at best, and always cleanly resolved by the end of the book.

This by no means makes them bad; they're just aimed at kids, and only at kids, and they aren't meant to be critiqued by year-old English majors who've spent the last four years honing their critical reading skills.

It's pretty hard to rate a book that is aimed at a much younger audience, because the things I look for in a story obviously aren't present. I don't really know how to objectively rate kid's books, and I doubt I will until I've read more books in the series and have more to which I can compare each volume. I gave Horse Crazy and Horse Shy three stars each.

They're both cute and fun, and although the characters are VERY trope-y, that's the point, and that's what made them so memorable: Carole is the klutz who only has her shit together at the stable, Stevie is the prankster, Lisa is the straight-A student, Veronica is the spoiled mean girl, etc.

Horse Crazy is a sweet introduction to the girls and their world, and I liked how it started off with the three of them not really getting along and ended with them maturely apologising for the pranks they had pulled on each other and becoming inseparable.

Tween girls are SO not like that at ALL, but I thought it was nice that they modeled a way for young girls to work out their differences, instead of being catty and bitchy and ferocious the way teenage girl friendships can be.

I thought the part in Horse Shy where Stevie and Lisa were coming up with full-on conspiracy theories about the origin of their riding instructor was very watch out, Shane Dawson, Stevie and Lisa are coming for your brand.

They are a little bit cheesy, though, which was to be expected but is the reason why I only gave them three stars; I remember reading them as a pre-teen, but the humour and the sickly-sweetness of the dialogue are more suited to something like Doc McStuffins or Dora the Explorer. These are children's books, and I have spent a solid 90 minutes trying to craft a lucid enough review.

Can you tell it's assignment season and I'm procrastinating? Jun 22, Jerry rated it really liked it. A good story, but a bit emotionally charged for a kids' book. Jun 19, Renata rated it it was ok Shelves: fictionmiddle-gradeworst-bestsellers.

It was fine?? If you're a tween who's into horses I could The Saddle Club: Horse Crazy & Horse Shy how you'd be into it Nov 18, Tiffany rated it really liked it. If you love horses and want to have a story to use as an example this is it.

Used it to help the niece get back on the horse. Sep 26, Leigh rated it liked it Shelves:friendshipkindle-or-ebookpandemic-readsfictional-series. So with a day off I decided to tackle a bunch of my kindle books namely Saddle Club and its spinoff series.

They're short and won't take me long to get through at least. This book takes place mostly during The Saddle Club: Horse Crazy & Horse Shy MTO the girls were excited for in the last book.

Once home Veronica has an accident leading to injury and the destruction of a valuable horse which devastates Carole and leads her to not want to ride again. Of course Lisa and Stevie won't hear of it and are determined to get their The Saddle Club: Horse Crazy & Horse Shy b So with a day off I decided to tackle a bunch of my kindle books namely Saddle Club and its spinoff series.

Of course Lisa and Stevie won't hear of it and are determined to get their friend back. Nit a bad read quick and light. Feb 03, Sam Wescott rated it really liked it. Funnily enough, this was my first ebook. Nov 28, Sean Harding rated it liked it. Second book in the saddle club series is another

average horse tale which has the real focus of being about friendship.

It could have actually been the chess club series and had the people learning chess and basically been the same thing, the horses are there as clothes horses for the plot in other words. Sep 28, Sally Griffin rated it really liked it. A solid sequel in the series. This book kept me sane when I was away from the family farm as a kid.

These girls had a much better experience of a riding stables than I did, so I'm glad I had this book as a kid. Oct 30, Shelby Lynne rated it liked it Shelves: finished-interlibrary-loans. Minus 4 stars cuz view spoiler [they killed the horse hide spoiler]plus 2 stars cuz they went to the library. These books are super cute The Saddle Club: Horse Crazy & Horse Shy young horse lovers. A little emotional. Have to say I got sucked in to the story though. I give honest reviews and all my opinions are my own.

Apr 12, Lili C. Everyone gets to go on the Mountain Trail Overnight, hooray! When they back good news comes to Carole, her favorite horse in the barn, a big black stallion named Cobalt, is hers to care for in Veronica's place. No matter, she loves Cobalt with all her heart! Unfortunately bad things happen, accidents have big and small consequences, and some of those consequences can be matter of life and death.

Carole is devastated and swears to never ride 4 out of 5 stars The story of the Saddle Club continues! Carole is devastated and swears to never ride again. Will Lisa and Stevie get Carole back up on a horse? Will the Saddle Club remain a trio or only ever be a pair? You will have to read to find out! This is a somber book, for sure. For an equestrian we have all felt the loss of one of our beloved four legged friends and so it touches on a very real topic to us.

It also touches on the topic very common to equestrians to always get back on, no matter what.

The Saddle Club: Horse Crazy & Horse Shy

So when thirteen-year-old Lisa Atwood shows up for her first lesson dressed in fancy riding gear - and acting chummy with the snobbiest girl in town - the girls aren't sure she'll fit in. But Lisa soon shows herself to be a quick learner, and Carole and Stevie can't help but admire her natural riding talents. Soon the three girls are fast friends. There's just one The Saddle Club: Horse Crazy & Horse Shy Stevie's parents won't pay for it unless she improves her grades.

They are having such a perfect time that nothing - not even Veronica, the richest and snobbiest girl at the stables - can spoil their fun. But the impossible does happen. A tragic accident, caused by Veronica's carelessness, makes Carole lose the one thing she loved most in the world. Is her grief enough to make her give up riding forever? She has also The Saddle Club: Horse Crazy & Horse Shy novels and movie novelizations under her married name, B.

Bonnie began writing The Saddle Club in Although she had done some riding before that, she intensified her studies then and found herself learning right along with her characters Stevie, Carole and Lisa. She claims that they are The Saddle Club: Horse Crazy & Horse Shy much better riders than she is.

Bonnie was born and raised in New York City, where she continues to live today. Stories, ideas and giveaways to help you spark young imaginations.
