

At Ray White Mt Eden, our Brick by Brick charity is all about giving back to the local community we love and serve. Through this initiative, we collaborate with local businesses, schools, and volunteers to support projects that make a real difference in the lives of those around us. Whether it's helping to renovate community spaces, funding local schools, or supporting families in need, we're committed to building a brighter future for Mt Eden, one project at a time. By focusing on meaningful, local impact, we aim to strengthen our neighborhood and create lasting change that benefits everyone who calls this area home.

For every sale, \$20 is donated to Brick by Brick and we'll match it. Together, these funds help the charity provide small, direct support to individuals and families in our community who need it most.

"We believe in building strong foundations, one brick at a time, to ensure that every individual has the opportunity to chase their full potential."

Jared Cooksley - Director
