This is a list of titles in the Indian comic book series Amar Chitra Katia. The table below shows the number as part of the old series as well as the new series. The headlines that were published in only one of the series were listed with NA against a series in which they did not appear. The old series runs from #11 to #436 and the new series begins with #501. New series issues usually appear in a luxury format and usually reprint titles in older series. However, some issues such as Kalpana Chawla, JRD Tata, etc. have appeared in the new series alone. Similarly, although most of the old series have re-emerged in the new series, some issues such as Napoleon Bonaparte, Louis Pasteur, etc. are only present in the old series. Three extra-long special editions have also been published and read since 10001 - Ramayana Valmiki, Dasha Avatar and Jesus Christ. Few other special editions released under the new series, such as Tulsidas Ramayan, Mahabharata, Bhagavat Purana and Mahatma Gandhi, are not numbered, but are considered as part of the official title list of Amar Chitra Kata. As of May 2014, Amar Chitra Katha produced 465 titles (454 individual releases and 11 special editions). Amar Chitra Katia also releases a collection of individual comics complete with 3 in one or 5 in one.
