**SHIM** is pleased to announce ***SHIM/Experience***, an experimental group exhibition project in two overlapping parts launching Thursday, February 27th with an opening reception from 6-8PM, and continuing with Part II, opening Thursday, March 5th with an opening reception from 6-8PM. Regular viewing hours will continue Fridays and Saturdays from 12-6PM each weekend through March 7th.

***SHIM/Experience*** gathers a group of artists from among SHIM's current network members and past exhibitors in a project that celebrates the experiential, interactive, and performative components of the participating artists' multidisciplinary practices. The project aims to highlight variety and make connections between and within each artist's practice that might otherwise go overlooked.

The exhibition also marks the inauguration of Heidi's Place, a new and temporary exhibition space in Manhattan converted from a vacant former bar and restaurant. SHIM is thrilled to have access to this space, and others like it, for a series of projects in the Spring and Summer of 2020, generously sponsored by City Chateaus and 111 E29th Realty.

**SHIM is an arts exhibition company that fills the gaps in the art world, providing exhibition opportunities to artists, curators, and other organizations and affiliations.**
