

General Memetics News September 2023

Dear Friends,

There is so much to celebrate and share with you all!

First, look into the eyes of the shining Beings who journeyed together with us through our wild month of Transformational Trainings in Poland.

In order, group photos for the *Expand The Box* Training with 62 people, the Possibility Village Lab with 56 people, the Heal From School Lab with 58 people, and the Possibilitator Skills Lab with 26 people.

Together we built a mountain range of new Matrix and practiced extraordinary [new skills](#).

This weekend, Anne-Chloé and Vera Luísa Franco journey from Portugal to London to deliver their [Sword & Chocolate Workshop](#) on 30 Sept. & Oct. 1.

Then just before (and at the same location as the 15-20 October [Archiarchy Maker Fair](#): Comporta, Portugal – just south of Lisbon), Anne-Chloé and Vera will deliver their already full [Women's Lab](#), 11-15 October.

How does all this [3 Phase Healing](#) / [Archetypal Lineage](#) Matrix-building empowerment show up? Here is one example: 30 articles suddenly written and published this week by Anne-Chloé's [Rage Club Spaceholder Training](#) participants.

These are astonishingly inspiring words! Are you prepared to be astonishingly inspired?

Beyond Repair

*7 stages of women bridging men to
Archiarchy*

co-written by Anne-Chloé Destremau and Clinton Callahan

In the early 21st Century, most human beings are born into a culture best described as 'Capitalist Patriarchal Empire'. Much of your Being is left unborn because the culture only desires to have your physical body and your mind. This leaves you uneducated in terms of what is possible in feeling, communicating, relating, sensing, connecting, discovery, co-creation, and love.

This co-written article can serve you as a handbook for spiraling upwards into domains of relating that are more refined than options offered by ordinary modern culture. This handbook is written as guidelines and hints for a woman to create Archan Relating.

For the man?

Latest SPARK

SPARK 242: There is a difference between pressuring yourself to do a thing, and Sourcing that thing.

In school, church, your parents' house, practicing sports or learning to play a musical instrument, even during Girl Scouts or Boy Scouts, you were in many ways forced to do what you did not want to do when you did not want to do it. You did what they told you to do because this is modern family life. You were taught to keep your Compass Of Reality outside of yourself and bow to false 'authorities'.

Live Talk: Gameworld Builder Training

While in Poland, [Jeff Shub](#) sat down with Anne-Chloé to ask her some questions about Gameworld, Gameworld Building, and the Gameworld Builder Training that will happen in Costa Rica in January 2024.

"Why don't you already know about Gameworlds? Think about that question for a second... If understanding Gameworlds is as important as we claim, why haven't you ever studied Gameworlds in a class at school?"
