It is not possible to appear at the polling stations because of a temporary or permanent illness or disability (the temporary illness involves failure to work because of the risk of contracting or spreading infectious diseases such as COVID-19). You cannot appear because you are the main person who has given assistance to one or more persons who are sick or physically incapacitated. Resident or patient of the Hospital Veterans Health Department. Detained in prison pending the actions of a grand jury or imprisoned after being convicted of a crime other than a felony. You can apply for absentee voting in any of the following ways: electronically through our absentee voting application portal: Electronic portal for the use of absentee ballots by sending an e-mail request to the local district election board, by phone request by faxing a request to the local district election board, by personally visiting the local district election board, sending a paper application to the local district election board, you can download the PDF version of the New York State Statement Form: Download the English Form (539KB) and the applications must be sent to your county council no later than the seventh day before the election or delivered in person, than the day before the election. Sending a letter to the district board of elections. The letter must include the following information: The name and date of birth of the voter's address to which you are registered, the address at which the ballot should be sent, and the reason for the request. If you submit an application by mail, the application form will be sent with your newsletter. The application must be completed and returned with the help of a newsletter. If you can't pick up your newsletter or can't get it in the mail, you can assign someone to pick it up for you. Only this person in your application can pick up and deliver your newsletter. If you are permanently ill or incapacitated, you can get an absentee ballot for each subsequent ballot without further application. Just apply to the District Board of Elections indicating a permanent illness or physical disability. You then automatically get an absentee vote for each election until your registration is cancelled. If you can't confirm that you are visually impaired or otherwise disabled you should request regular absentee voting using a regular app or portal linked to the above. If you have a visually impaired or otherwise have a disability, so your disability requires you to use a special available absentee newsletter that can be read by a screen reader, you have two options available to request such a newsletter on this page, or using an available e-newsletter app or app portal linked below: When is it related? You must submit an application online, a postmark, email or fax with a statement or letter of voting for the general election no later than 7 days (October 27, 2020) before the election. You can apply in person until the day before the election (November 2, 2020). You can apply at any time before the deadline, but the ballots will be mailed starting on Or around September 18, 2020. (PLEASE KEEP IN MIND THAT, DESPITE THE ABOVE DEADLINES, THE POST OFFICE HAS INDICATED THAT THEY CANNOT GUARANTEE THE TIMELY DELIVERY OF BALLOTS CAST LESS THAN 15 DAYS BEFORE THE ELECTION.) How to vote in absentia after receiving a ballot, mark the ballot according to your choice for each office according to the bulletin instructions After the marking is completed it and place it in a security envelope. (This envelope will be the place for your signature.) Sign and give the outside of the security envelope. Print a security envelope. Place the security envelope in the return envelope. (This envelope will have the return address of your county Board of Elections on the outside and must have a logo that reads: Official Election Mail) Print Return Envelope. You can return the newsletter in any of the following ways: post it in the mail, ensuring that it receives a postmark no later than November 3. Bring it to the District Electoral Council no later than November 3 by 21:00. Bringing him to early polling station between October 24 and November 3 Bringing him to the polling station on November 3 at 9pm. Mail Time review When returning absentee ballots When sending out completed ballots, the USPS recommends that voters allow enough time for ballots to be returned to the Council, which is usually seven days before the general election. The State of New York requires that your ballot be published by November 3, 2020 and received by our Board by November 10, 2020. Voters who are mailed to their ballots on Election Day should be aware of the time placed on the collection boxes and at postal service shopping facilities, and that ballots introduced after the last time posted will not be stamped until the next business day. You can still vote in person if you ask for absentee ballots, even if you ask for or drop and return the absentee ballot, you can still go to the polls and vote in person. The Electoral Act recognizes that plans are changing. The Electoral Council is obliged to check the book on the elections before the campaigning of any absentee ballot. If a voter comes to the polling station, on the day of the election or during the early voting and votes in person, the absentee ballot is counted and not taken into account. Please note: Due to the sheer number of phone calls that the Electoral Council receives at present, we are currently unable to answer in person all of your calls. The answers to many of your questions can be found by downloading this link to our frequently asked questions page. Thank you for your patience and we apologize for the temporary inconvenience. Primary elections are elections in which only registered party members can vote for the purpose of nominating party candidates and electing party officials. Primary elections are held on the first Tuesday after the second Monday in June before each general election, unless otherwise amended by the act of the legislature. Polling stations are open to the public from 6 a.m. to 9:00 p.m. The Electoral Commission holds as soon as possible the return of primary elections within nine days of the primary election. The Board tables the number of votes cast for all candidates for nomination for each public office or for election to a party position, as well as the number of votes cast for each such candidate. The candidate with the most votes is his party's candidate in the general election or elected to a party post. What is a general election? General elections are elections that are held across the state or country on the same day. The most striking example is the presidential elections held every four years. Examples of statewide general elections are the races for governor of New York and new York state senators. The Monroe County Voting Maps Board of Elections is now able to provide voters and a community with a high quality, full color card. All district cards are available for purchase at the Electoral Council Office, but some are also available for viewing online (see below). Visit the New York State Board of Elections for maps covering state and/or federal jurisdictions. Jurisdictions.
