

**WORLD
CHIMPANZEE
DAY**
JULY 14

Join us in the virtual celebration of World Chimpanzee Day by making a protective face mask at home with a chimpanzee on it using these instructions:

1. Buy or make your own protective face mask following the CDC instructions using the provided QR code or at <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/how-to-make-cloth-face-covering.html>
2. Print one of the provided chimpanzee silhouettes onto iron-on transfer paper found at any craft store.
3. Iron the image onto your mask.
4. Wear your mask to celebrate World Chimpanzee Day on July 14th!

Wear a mask to protect all your primate relatives from COVID-19!

Learn how to make your own mask at home to show off your spirit of World Chimpanzee Day!

Scan the QR Code with your camera

Print Instructions:

1. Print either chimpanzee image onto iron-on heat transfer paper.
2. Image should be cut to 4" x 6" to fit on a standard cloth mask.
3. Using an iron, heat press the image onto the cloth mask.
4. Wear your new mask to celebrate World Chimpanzee Day with us!

Care Instructions:

1. Flip mask inside out with image on the interior of mask.
2. Wash on cold.
3. Do not heat dry (or your heat transferred image will come off).
