

The background of the slide is a collage of images related to Pinot Noir. It features several clusters of dark purple, ripe Pinot Noir grapes hanging from vines. Green, serrated leaves are interspersed among the grape clusters. The entire image is overlaid with a large, stylized letter 'V' that has a gradient from bright pink at the top to a darker magenta at the bottom. The text 'Pinot Noir around the world' is centered within this 'V' shape in a white, sans-serif font.

Pinot Noir around the world

Pinot Noir Masterclass

- Focused on dry red wine styles from old and new world, excluding sparkling wines
- This will be an exercise in tasting alcohol, acidity and tannins but also quality and winemaking influence objectively, and also to determine your personal preference
- “Quality” is indicated by complexity, concentration, balance, finesse, and especially finish
