Pérgolas

Pérgolas Canastillas de Madera

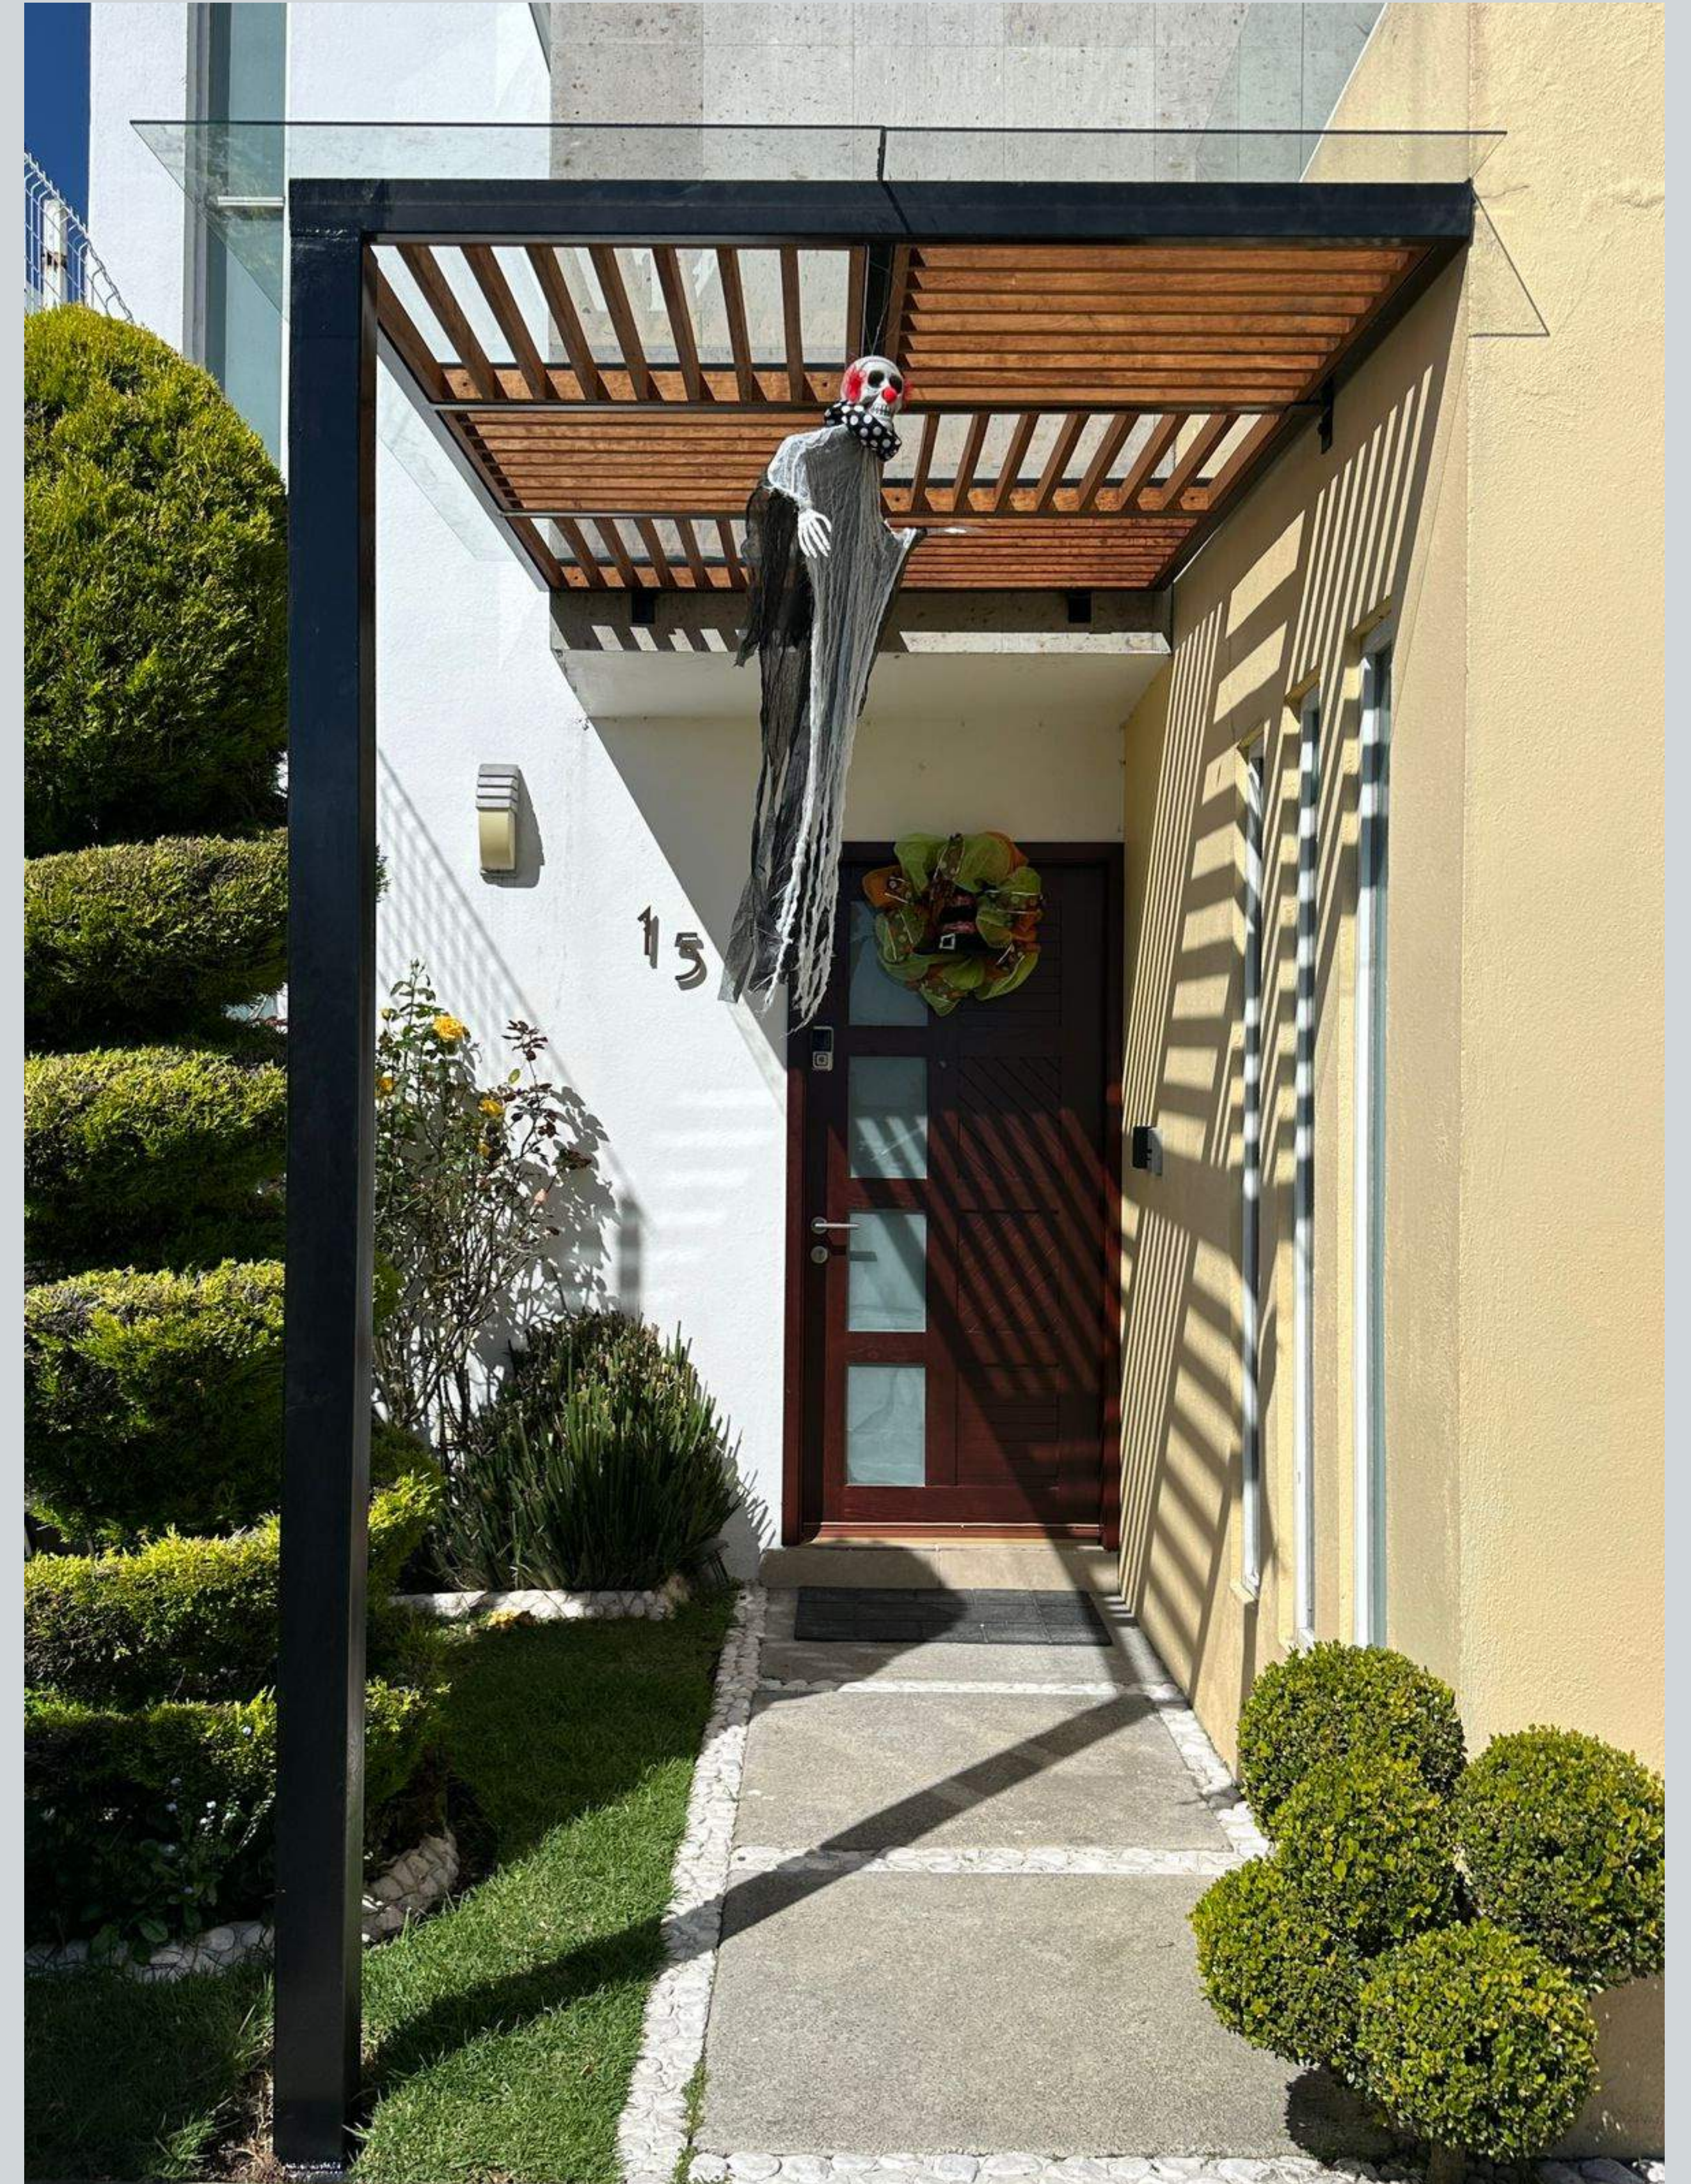

Estas pérgolas se distinguen por sus canastillas de madera en diseño cuadriculado y cubiertas de cristal templado con película de ozono, que ofrece protección contra los rayos UV.

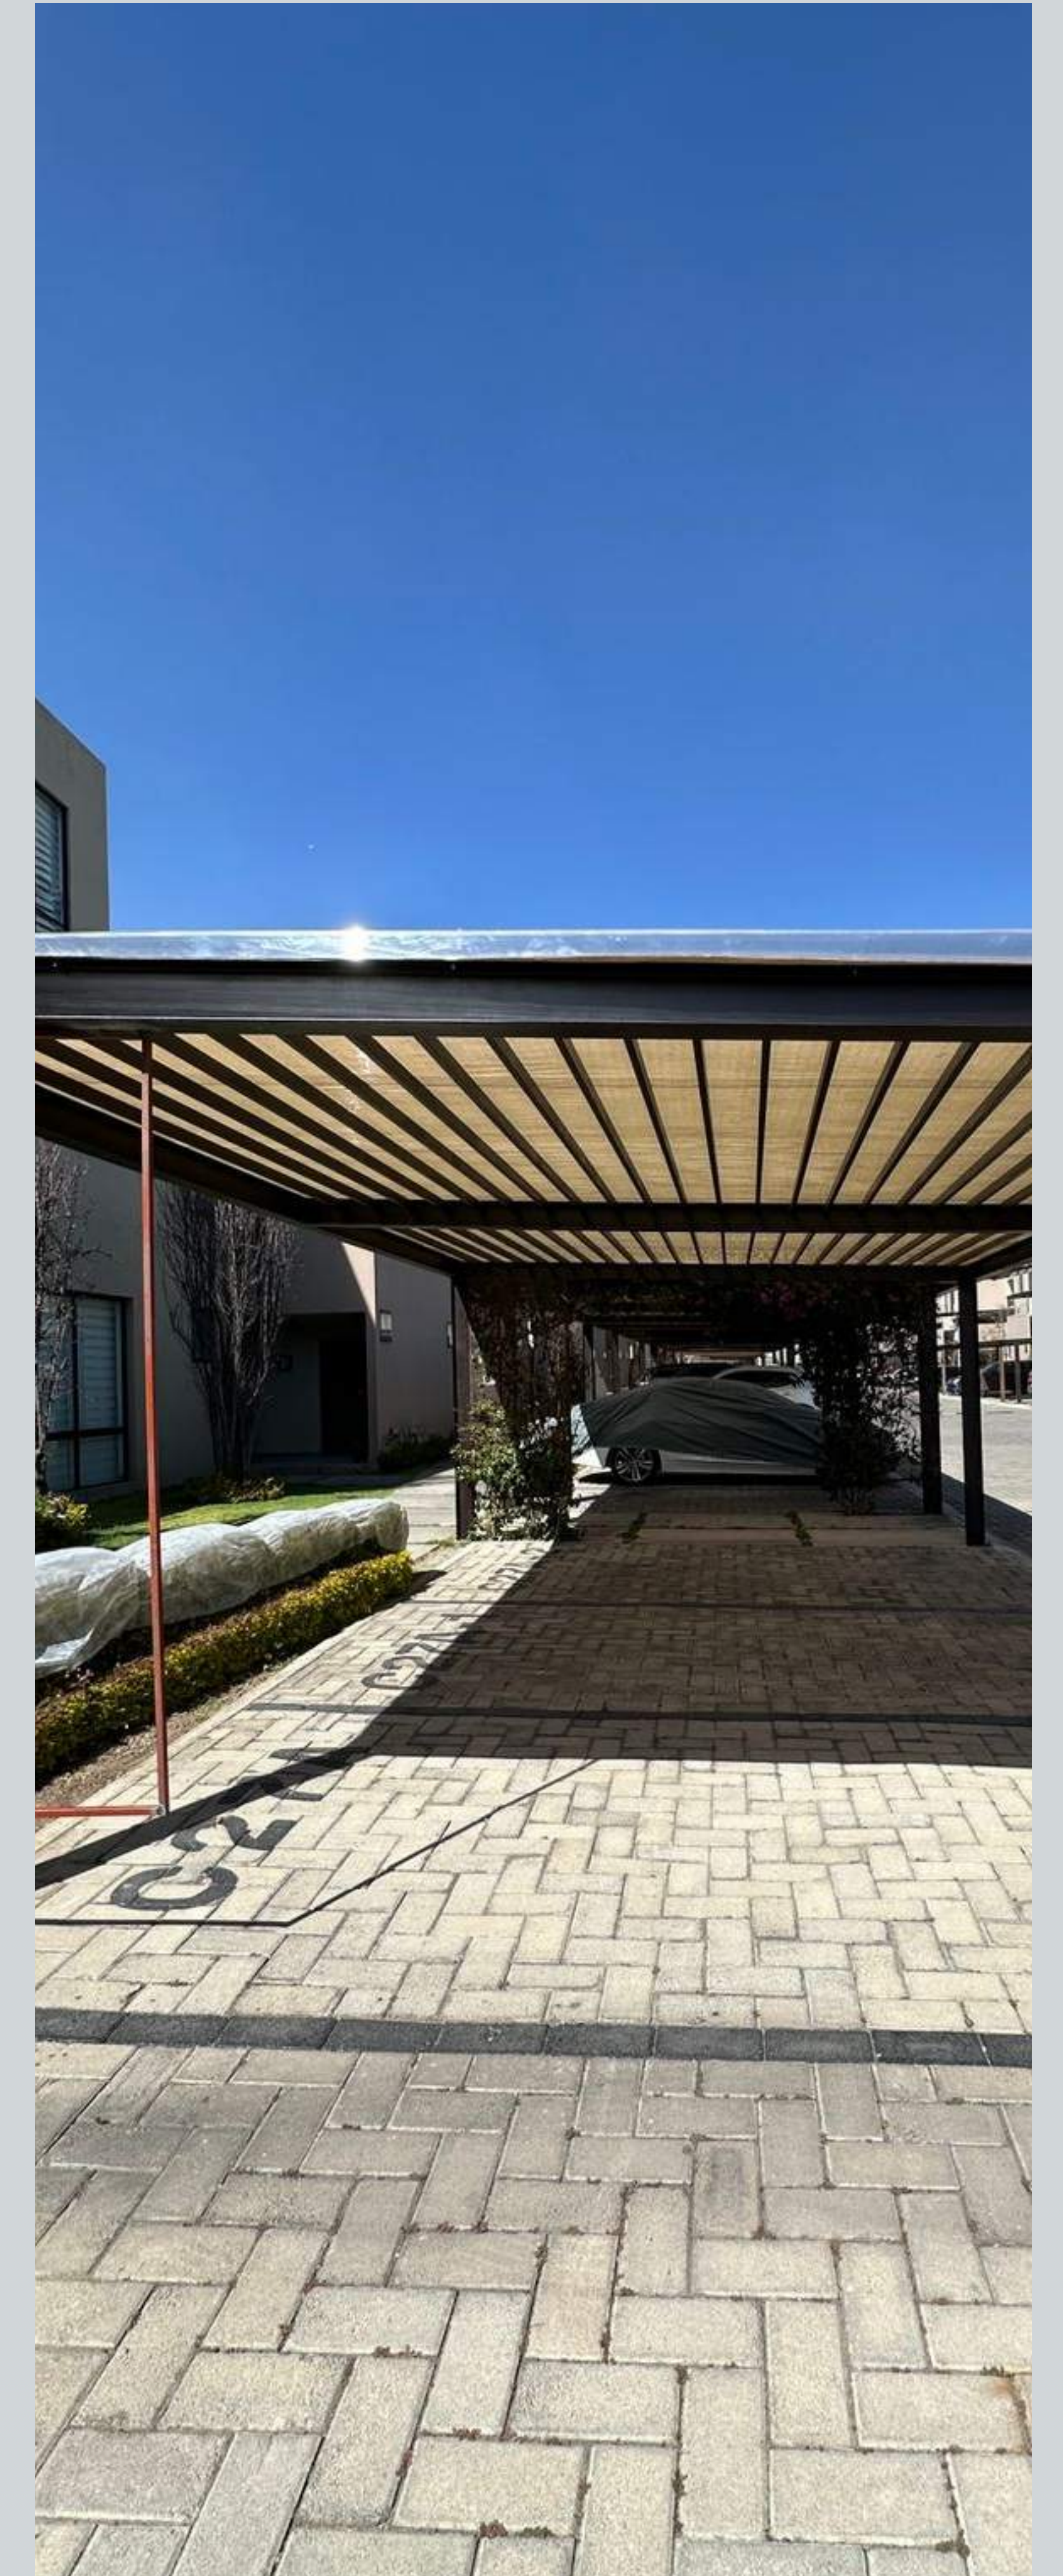

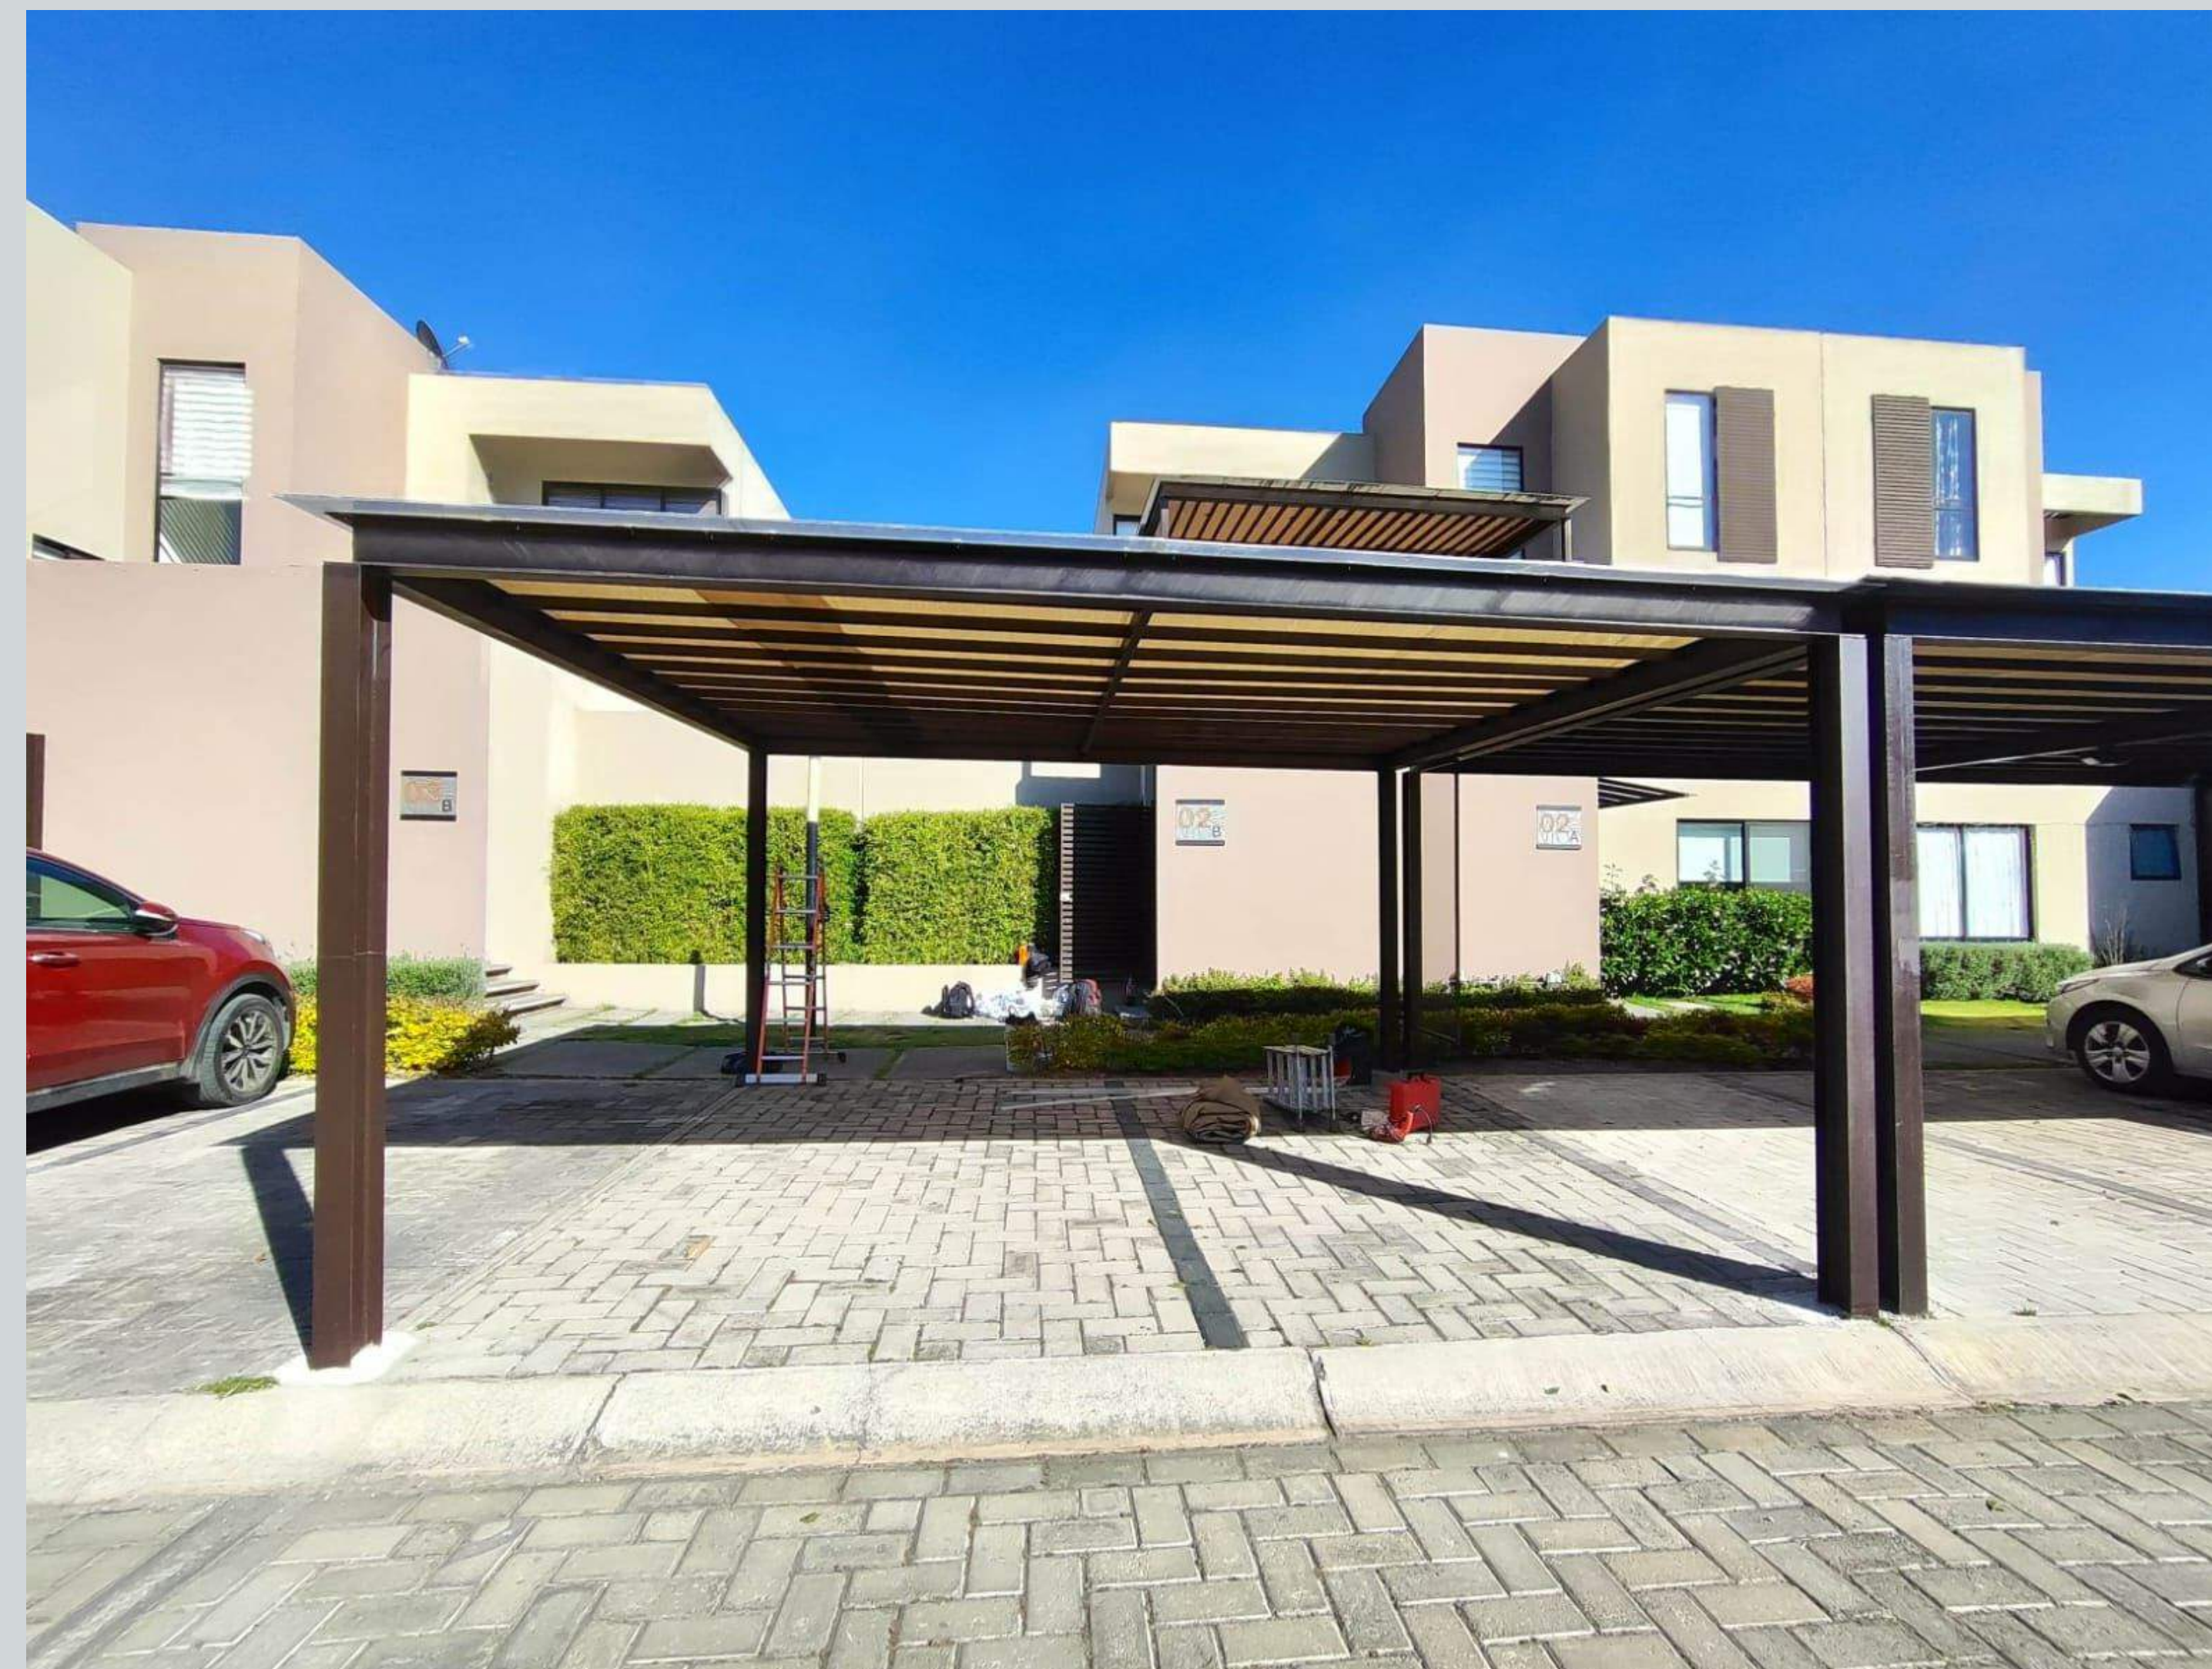

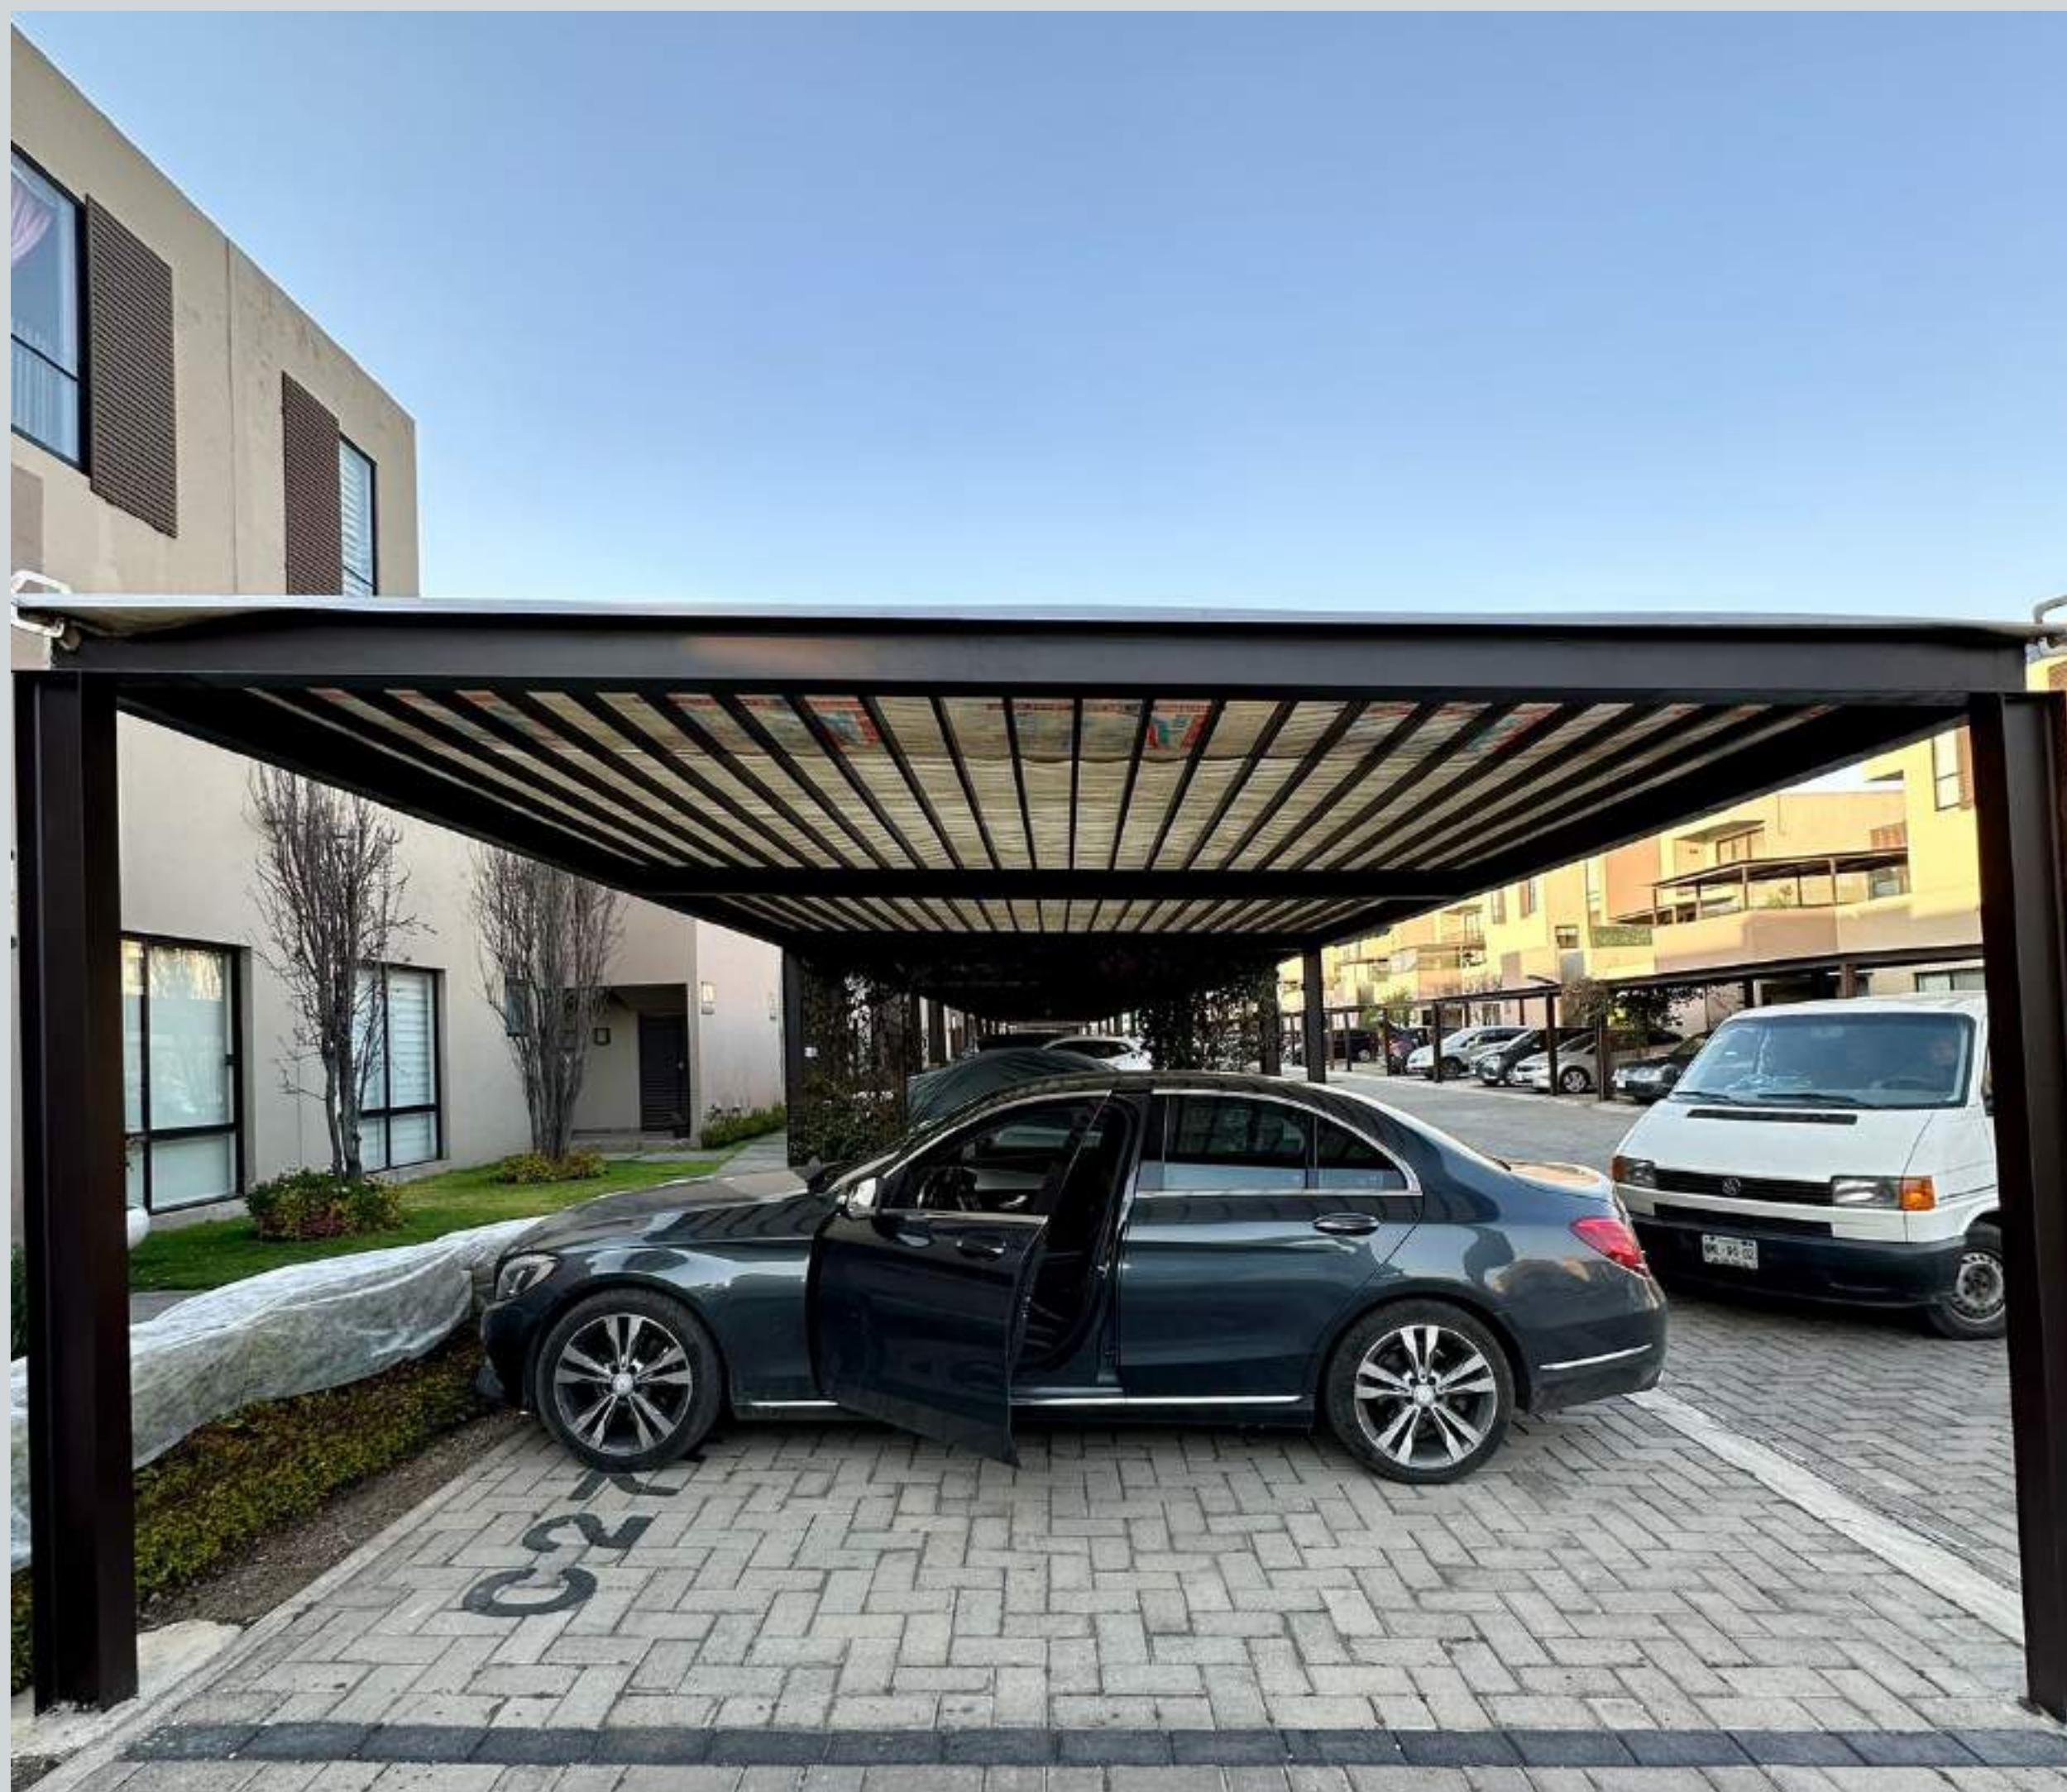

Pérgolas Canastillas de Madera

Pérgolas de acceso

Diseñadas como pasillos cubiertos, estas pérgolas marcan el recorrido hacia una entrada con estética limpia. Funcionan como guía visual y protección, integrándose con elegancia a cualquier fachada.

Pérgolas garage

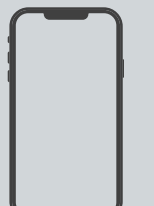

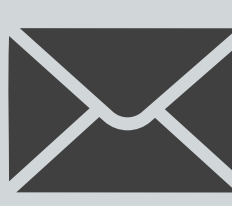

Pérgolas ideales para garage, fabricadas 100% en acero, con techos de barras lineales, malla sombra y una cubierta superior de policarbonato que brinda protección sin perder ligereza visual.
