

Baraka thrives on drinks parties. All our canapés are freshly handmade in our kitchens using only the finest locally sourced ingredients. Not only can we provide canapés for a fully waitressed drinks party but we can also deliver pre made canapés for a smaller less formal drinks party.

As an alternative we can also provide a range of canapés to compliment a 3 course evening i.e. starter, main course & pudding. We have a very large range of serve ware to accommodate every occasion whether it is a country wedding reception to a sparkly city evening drinks. We pride ourselves on our presentation using seasonal flowers & leaves or colours to go with your theme.
