Brothers in Arms 3 is a third-person shooter in which players control Sergeant Wright, a war veteran who will have to fight the Nazis a few days after landing in Normandy. Players will directly control Sergeant Wright, and will be able to move him freely around the stage, use cover to protect themselves from enemy fire, and of course shoot all the enemies that appear on the screen. Now, thanks to his rank, Wright will also be able to use the special abilities of his people, which will allow us to take the fight in our favor. In Brothers in Arms 3 you will find a good arsenal of different weapons to use. Your rifle is reliable and accurate, but you can also use machine guns, grenade launchers, sniper rifles or shotguns. All these weapons can be unlocked as you progress through the history of the regime. The Brothers in Arms 3 story tells you the story of General Wright throughout a series of missions in which you have to fight the Nazis in different scenarios. The common point in all of them is that you will need to use the cover to survive, and that our enemies won't make it easy. Brothers in Arms 3 is an outstanding third-person action game with very good graphics and a gaming system perfectly adapted to touch terminals. Another great (and free) action title courtesy of Gameloft. Brothers in Arms 3 is the return of the famous series of games about the Second World War! Enjoy a great action game where you'll take part in the shoot, killing your enemies. As Sergeant Wright, you will use experimental weapons and visit a dramatic adventure that will begin after landing in Normandy. Together with your squad, armed to the teeth, participate in battles and win them. Don't forget to improve your weapons, skills and let the bloodiest fighting enemies. Amazing graphics in the form of bright interiors, changing weather and time of day. by Rexdl January 22, 2020Current Version: 1.5.1aFile Size: 47 MB and 755 MBMemorize: www.Rexdl.comBrothers in Arms 3: Sons of War 2014 World War II-era third-person video game shooter developed by Gameloftand published by Gameloft.
