Senior high school is a place where ideas flight,
Social studies provides guiding light.
The stories of history, the past and pride,
We stand by the lessons beside.
From maps that depict the history of our country,
To laws that mold our future's glory.
Civics teaches us about rights and roles.
In the community, where every heart strolls.
Economics reveals the market's dance,
How trade and wealth influence a country's chance.
Maps of geography, with lands so vast,
Join us all, from first to last.

Anthropology reveals a world of cultures so diverse,

A story around every corner to rehearse.

Psychology explores the depths of the mind's see,

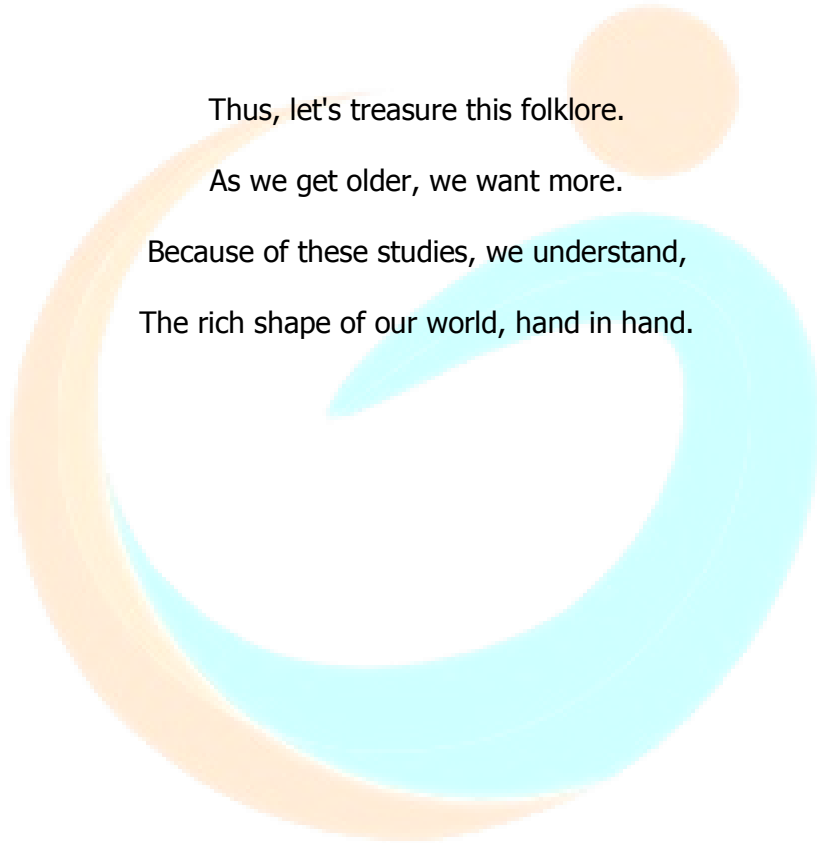

Hearts that understand are what sets us free.

Thus, let's treasure this folklore.

As we get older, we want more.

Because of these studies, we understand,

The rich shape of our world, hand in hand.
