Happy 2021 Sorors!

The Program Committee has begun planning a full year of opportunities to serve our community both virtually and we hope face to face soon. I hope we are ready to exercise creative ways to effectively serve our community in these unprecedented times.. sorors I trust that we are!!

Our first 2021 Community Impact Day is Monday, January 18th. We have made a change to our activity after receiving guidance on yesterday. We will now have a sign up sheet for Sorors to complete individual activities and we will host a Facebook Live reading at 10am on the 18th. Please complete the sign up sheet that is posted in GroupMe.

Please remain safe while you are completing any activity.

Take a picture of completing your individual service activity and send to the IT committee.

Please be mindful and adhere to all CDC guidelines while participating in any opportunity to serve those in our community !
