

2021 Summer Internship Program

Sun Life, a leading global financial services company, is inviting Bermudians to join their paid internship program in summer 2021. They are offering life insurance solutions for High-Net-Worth Clients around the world.

We welcome applications for Bermudian students and recent graduates interested in a remote 2021 summer internship opportunity. This is an exciting opportunity to gain experience working across multiple departments within a Global Life Insurance company.

Successful applicants must:

- Be a citizen of Bermuda or a holder of Bermudian status
- Able to work independently and within a team, ready to take on responsibility
- Demonstrate leadership and problem solving skills and be active in extracurricular activities

To formally apply, please send your resume to
