

## FRAUD ALERT NOTICE

Please be aware that there are scammers out there pretending to represent mystery shopping companies. They correspond with random potential victims online or by mail with appealing offers and fees. In some cases, they even send prepayments in the form of a check/cheque.

If you are contacted by anyone claiming to be from Service Measure with a prepayment or soliciting information, for your own protection you should ignore it.

Service Measure will never contact anyone who is not already an approved registered mystery shopper, and we never prepay for any assignment.

Remember, if it seems too good to be true... it almost certainly is.
