G. TEACHING ACHIEVEMENTS

G-1. Licenses, philosophy, and activities in teaching

- I am the Associate Fellowship in the Higher Education Academy (HEA) & Foundations of University Teaching.
- I work to initiate and encourage students to proactively participate in class with peer discussion groups, in-class quizzes, feedback opportunities, etc.
- I also regularly bring actual materials to class to help students understand and appreciate the real world (audio-visual materials, brochures about tourist destinations, travel agencies, information sheets, etc. from many countries) and I have found these very popular. I have taught tourism/hospitality/event-related courses.

- I have taught postgraduate and undergraduate courses every year since 2005 at both the University of Queensland (UQ) in Australia, the Ritsumeikan Asia Pacific University (APU) in Japan, and University of the Sunshine Coast in Australia.
- I have supervised 20 Bachelor, 4 Honours, 40 Masters, and 25 Doctoral Degree students. Currently two more students are applying for the PhD program and have asked me to supervise.
- My average teaching evaluation scores in the last four years at the APU are higher than 4.2 (out of a possible 5.0), which is in the top 20% in the university. My average teaching evaluation scores in the seven years at University of Queensland was higher than 4.1 (out of 5.0), which could be in the top 20% in the School.

G-2. Teaching achievements at the Macau University of Science & Technology (MUST), Macao. (2020 - Present)
