

Educator Profile:

Jessica Thomason,
Richmond

Hi my name is Jess Thomason.

I am an in-home educator, based in Richmond and part of the Village Kids team for the past 3 years.

I live with my husband of 17 years and our two kids aged 13 and 11 and our wee farm of animals, 2 cats and 2 rabbits which are all very friendly and used to children.

I have worked in the caring industry for 12 years, working with the elderly and the young and am very passionate about providing a happy, safe and nurturing environment for our wee ones.

I am first aid qualified and have years of experience as a Mum, so fully understand all the emotions involved when it comes to your precious kiddies and can help you and your family through anything you may need. I am also currently studying towards my certificate in Early Childhood Education Level 4.

I believe in the power of hands on play and being outdoors as much as possible to learn from nature and explore one's sense of adventure.

We regularly attend playgroups, gymnastics, nature play mornings and fantastic outings such as trips to the Tahuna trains, the library and music groups. There is always something on with Village Kids. Also on days at home, I offer a big fully fenced yard with plenty of activities on offer.

If you like to have a chat about home-based care for you child I would love to hear from you please call me on 021 027 54889.
