High-resolution version (PDF) of english tutorials Visit our online store for all kracie Popin Cookin kits and other unique snacks from Japan! Contact us Last updated on June 20, 2018 By now you may have seen them somewhere. Keo Popin Cookin. The famous Japanese candy is produced by Kracie. If you haven't seen them yet, they're basically easy to make step-by-step candy, a Do It Yourself candy. You have all the necessary ingredients in the package to make the candy and you just mix them together and give them the desired form to create the last candy. An enjoyable experience! The development of the Kracie company is quite extensive, starting in 1887 and still operating to this day. Kracie went from making cotton clothing to a company with three main divisions: cosmetics, pharmaceuticals and food. Of course, Popin 'Cookin' is found under the food section of the company. The most famous DIY candy from Popin Cookin must be the DIY sushi candy set. See the creative process of sushi version here: Japanese candy is always full of crazy surprises and this candy is no exception. They are a ton of fun ways to put them together and the ultimate reward (candy finally) is well worth it! You can buy it here on 99japan (international delivery): We keep track of the most popular versions of Popin Cookin and here they have no specific order: This is probably the most famous Popin Cookin, sushi box, I'm sure you saw this in a photo or on youtube. It's so fun to see sushi candies and they taste good too! The set includes: Salmon Roe, Tuna Sashimi, Scrambled Eggs, Japanese Rice loves bento, and they're right - bento is amazing.
