She lives at the mercy of a boy she once loved, a boy made of lies and betrayal. Now the king, Maven Calore continues weaving the cobwebs of his dead mother in an attempt to maintain control of his country and his prisoner. As Mare carries the weight of the Silent Stone in the palace, her once ragtag group of newbloods and reds continue to organize, train and expand. They are preparing for war, no longer able to linger in the shadows. And Cal, an exiled prince with his own claim to Mare's heart, will stop to no avail to bring her back. When blood includes blood, and the ability to ability, there can be no one to put out the fire, leaving North as Mare knows it to burn all the way down. 1 Mare Barrow is imprisoned, powerless without lightning, tormented by her fatal mistakes.
