INFO ABOUT ANGEL LAUNCH and STARTUP HOUSE

[Angel Launch](#), based in Silicon Valley, is a leading producer of tech venture forums connecting thousands of global startups to hundreds of accredited investors for early and advanced stage funding. For the 11th year, we bring together investors (VCs, angels, institutional and corporate) from Silicon Valley and other regions to meet promising innovative startups. We connect investors seeking opportunities to exceptional high growth startups and private companies. This event takes place the week of Tech Crunch but is independently produced and not affiliated for those attending. We expect 350 to attend including over 100 investors.

Our partner for this event is [Startup House](#) producing the after party from 6pm to 9pm with DJ, music, food and drinks, and demo tables. All exhibitors receive a demo table at both events. Startup House has pioneered a new concept for startups to live and work with startups and investors in luxury homes in Palo Alto, Atherton, San Francisco and San Jose.
