FOLLOW US FOLLOW USA Your ticket to the bright lights of Premier League superstars is here! From the creators of the world's most popular cricket game, Stick Cricket Premier League offers you a chance: CREATE YOUR CAPTAIN Create and customize the player before taking the defence against the world's best bowlers. TRAVEL WORLD From Mumbai to Melbourne, your skills are in demand! Team owners in India and Australia are fighting for your signature. BUILD YOUR DREAM TEAM Your owner will bankroll a set of star players from around the world, boosting your chances of winning the league. Choose from more than 50 star players to bolster your squad. Star Batsmen are likely to clear the rope, while signing the stingy Star Bowler will ensure the goals you pursue are not as demanding. If your team needs some experience, you can persuade an ex-player to retire on a short-term deal. Also, try to confuse the scientists by winning the league with a team of newcomers. The choice is yours. ESTABLISH A DYNASTY You have five seasons to build his team as a force in the Premier League. Your success hungry owner will want five trophies ... just don't end up with a horrible wooden spoon instead. RECRUIT COACHES Hiring batting coach soon your crafted captain is slogging him like a star, or reduce running your team inferior with the expert guidance of a bowling coach. ENHANCE YOUR SIX APPEALS Crowd wants highs! Each league provides cash bonuses for every six you smash, as well as stumping up the appearance of the fee. You read what's right: cold cash, just for showing! ---Ses play still hard to master, The Premier League's Stick Cricket - optimized for tablets - boasts two leagues, 16 teams, two stadiums and the same hellishly addictive (Gizmodo) gameplay that helped Stick Cricket to become a performance-destroying phenomenon around the world. We'd love to hear your feedback! Tweet us: @StickCricket By download this app you take our EULA: This game includes in-app purchases. Stick Cricket Super League cricket is a game that allows you to experience the most entertaining aspects of the famous game both in and out of cricket ground. When you're inside, you bat, and when you're outside, you can pick a team and set up a player. There are over 70 different teams for you to sign up with in Stick Cricket Super League. However, before you sign with any of them you have to create your own avatar. And there are tons of options to do this: different mustaches and beards, hairstyles, eye types, hair color, etc. Gameplay in Stick Cricket Super League is simple: click on the right or left side of the screen when the ball is in the right place. Depending on how accurately you hit, the hit will be more or less difficult. You need reflexes and if you want to become a star player. Stick Cricket Super League is a really fun cricket game, the main attraction of which is its simplicity. Few cricket games are so comfortable that it makes it interesting even for gamers who have no idea even about the basic rules of cricket. 1 2.7.3 15.8MB 1 2.7.2 15.78MB 1 2.7.2 15.78MB 1 2.7.1 15.78MB 1 2.6.9 24.69MB 1 2.6.6.6.2 9 24.69MB 1 2.6.8 24.52MB 1 2.6.8 24.52MB 1 2.6.7 24.51MB Stick Cricket 2.7.8 is a sports free game to download Stick Cricket 2.7.8 Apk direct file with reference, Please, please. Use the following links 0 Reviews Sorry, your review is too short! com.sticksports.stickcricket Download APK Name Stick Cricket Package com.sticksports.stickcricket Version 2.7.8 Size 19.72 MB Developed by Stick Sports Ltd Studio Stick Sports loves sports as it is noticeable from all the mobile games it has to offer. On this occasion, he offers us a cricket game with a curious design (brand of studio) in which we can enjoy the game of matches and control the team. On and off the field cricket stick cricket, as its name suggests, is a game of cricket. Using a range of game modes, we will be able to play fast matches, take part in leagues, and assemble our team as we please. Let's start by creating a captain's avatar and selecting a team. Choose from more than 50 star players to strengthen your squad. The gameplay is very simple and all we have to do is press the batting button left or right at the right moment. The strength of our shot will depend on how well we hit the ball. We can play as many matches as we can in different parts of the world. We will also be able to sign players to strengthen our team and create an unbeaten team. This is a very cool game that offers a very simple and accessible experience for all kinds of players. We can download THEK and enjoy the game without even knowing the rules of this popular sport.
