This intriguing and complex form of body art has a lot of mystery surrounding it, making it one of the most sought-after designs among tattoo artists and enthusiasts all around the world.Ambigram tattoos can be flipped, mirrored, or inverted and, in some cases, can have different customized elements. They include words designed in a way that they remain the same no matter what direction they are viewed from. Another variation of an ambigram tattoo is when the tattoo reflects one word at a certain angle and another at a different angle.The visual symmetry of an ambigram tattoo makes it a lot more appealing than its usual counterparts. If you are floored by these tattoos, take a look at some of our top picks of ambigram tattoo designs.Best Ambigram Tattoo Ideas1. 'Mother' Ambigram Tattoogazs_savine_official InstagramThis tattoo is fairly common among people who have a strong connection with their mothers and are deeply inspired by them. It also represents the sacrifices a woman goes through and depicts the affection, compassion, kindness, and love between a mom and her kid(s). Express your love for your mother by getting this ambigram tattoo inked. The best thing about this tattoo? It reads "mother" on one side and "father" on the other.2. 'Father' Ambigram TattooThis is a rotational ambigram design that uses a single word that reads the same, regardless of the viewing angle. This image tattooed in reverse aims to honor a father's contribution by representing protection, love, and bonding. This is a wonderful way to let your father know how much he means to you.3. Mirror Ambigram TattoosYou would have seen this design on many signboards, advertisements, and creative graphic images. It is a fairly common technique used by tattoo artists, where a word, when reflected in the mirror, can show another word with a contrasting meaning. The tattoo above shows "love" and "pain" when looked at from two different angles and perspectives.4. 'Love' Ambigram TattooThere are various reasons one can choose to get the word "love" tattooed – love for your partner, immense love for your family and friends, affection for your pets, or just showing your romantic side in general. It shows that you are driven by the force of love. This ambigram tattoo is an absolute head-turner. It also reads 'Hate' from another angle, which signifies the duality of human emotions.5. Rotational Ambigram TattooThis design is where the word or phrase is rotated to a fixed degree, usually 180 degrees or less. There are times when a word takes a completely opposite meaning when rotated. However, there are others that are the same word viewed from either angle. You have to tap into your creative side when planning this design.6. Chain Ambigram Tattooprojectblackwork InstagramThis is one of those ambigram tattoos that look nice on everyone, regardless of age, gender, or skin tone. It is made using interlinked words to form a chain-like structure. The initial letters of each word are overlapped with each other, which means that one word will start before the other ends. They are mostly done in the shape of a circle or diamond.7. 'Strength' Ambigram TattooMany people choose to get tattoos of words that inspire them or things that they look up to for positivity. The image above has two words in one tattoo – strength and courage. It shows that having strength and courage can assist you in dealing with the adversities of life and help you come out a winner. This design is usually done on the forearm.8. Name Ambigram Tattooorjelupu_tattoo InstagramThere are various reasons one would get a name inked on their skin – whether it is your own name, the name of your parents, your partner's name, or the name of your beloved pet. The name you choose to get tattooed is one that is most close to you. While these ambigram tattoos are usually done in black, you can play around with color combinations to make it even more appealing.9. 'Beautiful-Disaster' Ambigram TattooThis tattoo is another one in the long list of exciting ambigram tattoo ideas that would look great on any individual. There are a number of ways you can get this tattoo done. You can either get one word on each forearm or combine the two words in one tattoo. You can also have both words next to each other on the same arm.10. Optical Illusion Ambigram TattooMost of us have been intrigued by the idea of optical illusion as kids. Even now, some of us can't take our eyes or minds off such patterns. This ambigram tattoo is made in the shape of a skull, and is a bit trippy when you look at it closely. If you are looking for a tattoo that can be the talk of the town, consider this one.11. 'Alive-Dead' Ambigram Tattoopinione.tattoo InstagramThis tattoo derives its inspiration from cultures that give equal importance to life and life after death. The concept of life and death being two sides of the same coin has interested humans forever. While some see these states as a circle, others may consider them polar opposites. If this is a subject that arouses your intrigue as well, it might be time to give this design a try.12. 'Faith-Hope-Love' Ambigram TattooThis is an example of a chain ambigram tattoo, where the three words "faith," "hope," and "love" are arranged in the shape of a diamond. This tattoo exudes positivity that one needs in the difficult times of life. This tattoo is best done on the thighs, chest, or back.13. 'Love-Hate' Ambigram TattooThis one is a classic ambigram tattoo. It has two words in one tattoo, and both words are opposites of each other. The phrases love and hate combined together serve as a reminder that if someone can learn to hate, they are also capable of love. If treated well and given enough courage, a cynical person can turn into a beautiful soul.14. 'Family Forever' Ambigram Tattooin this world of time crunches and constant work pressure, we often forget our roots that make us what we are. It is important to realize that family is the only thing that will stay by your side when the entire world is against you. The 'Family-Forever' ambigram tattoo expresses a deep connection with one's family. It can give strength in tough times when your family cannot be physically present around you. The ribs, forearm, and sleeves are the perfect places to sport this tattoo.15. Dual Ambigram Tattooboldcrafttattoo InstagramThis tattoo is common among couples who amalgamate their names into one using the ambigram design technique. This can be done to express love, connection, and romance. This is a cute little gesture you can do for your partner exactly as the individual has done in this image, where the names "Aryan" and "Aisha" have been combined into a single design. Add a unique touch to your relationship by flaunting this stylish tattoo on your arm.16. Zodiac Ambigram TattooPeople who are fascinated by astrology and strongly believe in the power of zodiac signs can get this tattoo done. Many believe that zodiac predictions are true, and there is a strong relationship between an individual and their zodiac symbol. To channel this energy, many enthusiasts choose to get a zodiac ambigram tattoo, mostly on their arms, wrists, or neck.17. Cross Design Ambigram TattooThis one is for individuals who are highly spiritual and strongly believe in Christianity. It is also considered by many as a weapon against evil and used as protection against it. This tattoo looks absolutely breathtaking on the shoulder. Choose any size, shape, and design that you like and brainstorm with your tattoo artist to convert it into a beautiful ambigram tattoo.18. Elements Of The Universe TattooThe four elements of the universe – the earth, air, fire, and water – are considered critical forces to sustain life and aid the physical and psychological well-being of humans. This design is usually inked to channel the power and strength of these elements into your personal life. You can get it done on your sleeve, arm, hand, back, or chest.19. 'Always-Forever' Ambigram Tattooinkduptattooaparl InstagramAlways and forever is a millennial phrase to represent a bond between family, friends, or partners that is hoped to last a lifetime. It depicts the beauty of the many relations that we value in our lives. You can see here that the couple has inked their forearms with a rotational 'always forever' ambigram tattoo, depicting their love for each other.20. Contrasting Ambigram Tattoosoundrel_tattoos InstagramThere are times in life when an individual needs to put on a brave face, even in the worst possible situations. This is mostly so that the people around them do not experience sadness or worry because of their personal issues. However, it is not usually difficult to decode the pain behind a certain smile. For instance, this tattoo says, "I am fine" and "save me" in the same tattoo, making it clear that if we look closely, we can figure out if someone needs our help. This tattoo looks great on the thigh or wrist.21. "Believe-Dream" Ambigram Tattoofeind_for_the_ink InstagramThis is one of those ambigram tattoos that use a motivational phrase intended for all the believers out there. Millions of people are struggling to do well with their lives and pursue their passion. This tattoo reminds every individual that there is a lot of potential in them, and if they just choose to believe in themselves and the path they have chosen, their dream will be at an arm's length in no time. This tattoo done on the forearm motivates you to hustle to find yourself living the dream that you see for yourself.22. 'Saint-Sinner' Ambigram Tattoorosegoldtattoo_17 InstagramThis tattoo has two contrasting words. It reads 'saint' from one side and 'sinner' from the other. It is used to remind people of their achievements and regrets as human beings. Basically, it means that we have all done things we are proud of, making us equivalent to saints. However, we have also had a few wrongdoings, synonymous with a sinner. Every person has both sides to them.23. 'Hope-Faith' Tattooonightmaretattoo InstagramThis ambigram tattoo is a sign of encouragement and motivation. This consists of the word 'faith' written in such a way that it reads 'hope' from the other end. It is an example of a mirror tattoo. Hope is an acute desire for a thing to happen, whereas faith is confidence in something currently happening. You can get this tattoo on your wrist or forearm.24. Carpe Diem Tattoomerakitattooomza InstagramThe Latin translation of 'carpe diem' means "seize the day." This phrase is also associated with happiness. This tattoo here on the forearm should act as a motivation to take advantage of every opportunity that comes your way. It is an incredibly inspiring tattoo that also represents your attitude towards life.25. 'Sisters-Friends' Ambigram Tattoocraftycartertattoos InstagramThere is nothing more comforting than having a sibling who knows you inside-out and is your true best friend. Having a sister who's your pal through the crazy walks of life is a blessing. This tattoo is an all-time favorite as it celebrates the beautiful bond between sisters. Go ahead and get this tattoo inked on your wrist, underarm, or ribs, and flaunt your love for your sister.26. 3-Dimensional Ambigram TattoosWho doesn't love realistic 3D tattoos? 3D ambigram tattoos combine the uniqueness of a regular 3D tattoo as well as that of an ambigram. You can opt for any phrase of your liking and come up with a 3D ambigram version to sport on your upper back.27. Facial Ambigram TattoosThis is the unique one out of the list. Taking the ambigram style up a notch, you can create the face of a person or a figure of your choice and design another facial expression right on the bottom of it, linking both the designs. This tattoo uses a sane face and combines it with a devil's face to showcase two different aspects of the same personality. The versatility of ambigram tattoos is the main reason for their popularity. It is important to remember that you take proper care before and after getting a tattoo to prevent infections or issues.Hope this list of our top picks of the most meaningful ambigram tattoo designs helps you in deciding your next tattoo.
