2025

Vice-President's Message

I would like to begin this month's note with a huge thank you to all the members and staff of our great club, for all the dedicated time and love that keeps it flourishing. Without the input and support of our membership, this club would not be the growing force of activity and culture that it is. We all have a common goal here. To quote our **MISSION STATEMENT**:

"To preserve and enhance our rich Italian heritage and culture by promoting and providing social, recreational, educational and entertainment programs and activities for our members, their families and friends."

With growth and progress, challenges are always present. The board, officers and staff work diligently everyday, to make sure we provide the membership with the best experience. Our club manager, Steve Bianco, works tirelessly to make sure the staff has the necessary resources and support to provide you this experience. Respectively, the officers and board make sure we provide that to Steve. Over the past several months since his start here, it's shown by the event bookings he fills the calendar with, and the growing net profit on the books.

VICE-PRESIDENT'S MESSAGE CONTINUED

The board and officers are also working on communication changes, to make sure the membership is adequately supplied with information regarding the operations of the club, and that the information supplied can be easily understood. The financial spreadsheet is being reviewed, so that the bottom line can be seen without getting lost in a sea of numbers, while maintaining pertinent information about spending. The yearly committees have been formed, most importantly the by-laws committees. Between the board and ad-hoc committees, there is no doubt that our by-laws will be thoroughly and completely gone through, to be amended to meet our daily and future requirements. Please note, included with the manager's email is my personal email. Comments, questions and feedback are always welcome, at any time.

There are currently a couple of maintenance issues that are being addressed. The main hall floor is now close to 2 years old, and requires a maintenance coat. This can be coordinated when the hall won't be used for a day or two. Also, the roof is showing its age, so bids are being entertained to give the roof a new coat, before we incur water damage.

I want to close this message by wishing you and your families a Buona Pasqua. This is the time of year for rebirth and renewal. I hope to see that in many more friendships and successful events at the club.

A Presto!
Tom Colombo

Thank you goes out to my husband, John Bernat, Maria Colombo, Dave Sarracino, Judy Baldi, Charlotte Conway, Madeline Miranda and Stefano Quilici and Elena Quilici. Thank you to Ugo Pignati for doing such a great job in calling the bingo numbers. It takes many people to make this event a success. PIASC Scholarship Foundation Report

Thank you to all of our club members who have generously donated in 2024. We will be awarding \$75,000 in scholarships at our student awards luncheon at the club on June 12, 2025. You are welcome to attend. It is a very special occasion for these Italian American high school graduates and their proud family members. Some of these young award winners will be our Club Leaders in a few years and so it is a good time to come to the lunch and meet them. At our lunch the winners are always very appreciative and excited. They usually tell us a little bit about themselves and their future plans after they complete their education. As you know, we need more young people to join our club and this is a good way to encourage them to truly appreciate their Italian Heritage.

Our scholarships are awarded to qualified high school graduates of Italian descent who are going on to a school for additional education. They may be going on to a college, university, vocational school, trade school, or to study abroad in Italy after first attending a qualified educational program in the United States.

The application deadline for this year's scholarship is May 1, 2025.

Thank you for your continued support.
Our website is <https://www.pscsf.org/>

Please consider a tax-deductible donation today. You can make your donation online or any other way you wish. Just call me or Joycelyn Firenzi-Pine (650) 678-8765. We will help you make your donation for this important club supported activity.
