Youtube music 90s country songs

In the 1990s, country music had its moment. A big moment. An elite set of hitmakers — Garth Brooks, Shania Twain, Clint Black, Trisha Yearwood, Travis Tritt, Martina McBride, and Brooks & Dunn (and more!) —is sounding hits, and boys do we love it. During this decade, the lines between traditional country music and pop blurred more than ever as a brand new cross-over artist (think Faith Hill, LeAnn Rimes, Shania Twain, Dixie Chicks) came to the scene, causing a boom in the country's popularity. Strong country music loyalists also have it pretty good, as favorites like George Strait, Lee Ann Womack, and Toby Keith keep making more traditional songs come along. The 90s were undoubtedly unique to country music, but no matter what decade, the genre was simply special. From the best country love songs (which will make you cry in your beer) to the most patriotic country songs of all time (which will make you cry to fireworks displays), there's a storytelling quality to country songs that make them relatable, real, and oh-so-nostalgic. But they're not all sad —interesting and classic summer country songs that never get old will definitely put a smile on your face, and so will the list of the best 90s country songs!1990 This content is imported from YouTube.
