## Golden nugget wendover restaurants

Last Friday night, actually early Saturday morning, my lady and I went for a hangover buffet. Everything is either cold or dry. The packers are so hard they can't be cut with a fork. Pulled pork even on a steam table is room temperature. We tried some stuff, nothing was palatable. I've eaten in this buffer and even reviewed a few times in the past, but I have to say that this experience is the worst ever. This time we complained to the staff. We're not likely to ever eat here again. A Per Sisolak Governor, restaurant capacity has been reduced to 25%, with parties not greater than 4 sitting together. Reservations must be made in advance. Poor service no water remittances and got checks handed over instead of asking if we needed anything. I didn't complain and left the tip of \$2. I'm not going to go back and have abdominal pain now from it and the reason why I left reviews to warn others. Hope I don't get food poisoning a terrible place and I'm not a fictional eater. We recommend elsewhere, but he has a ticket to Nugget. He called me a few days later and said, don't eat there again. Food is cold, and does not feel fresh. The food is very good. There are different types of fish, chicken, beef, and seafood. Also, they have a great Mongolian BBQ.
