With Amazon Prime prices now set at \$12.99 per month or \$119 per year, you're probably wondering how to get the service at a lower price. We've protected you in these innovative ways to ensure Amazon Prime membership discounts. SEE ALSO: What is Amazon Prime? 1. Register prime students Who at Amazon understand that money is tight when you're a college student. So they have two special offers that students can take advantage of: Amazon Prime Student Special Prime Student's 6-month trial for just \$6.49 per month, or \$59 per year when your free trial ends As a Prime Student, you'll have access to a variety of Amazon Prime membership offers and special perivileges , including: Free 2-day Amazon shipping as well as same-day or 2-hour (if any) Prime Video delivery, allowing you to stream events, TV shows and movies, as well as downloads when you're offline Discounts on electronics, school expenses, and more Do you participate in any government support programs , such as TANF, Medicaid or SNAP? If so, you can get Amazon Prime with a monthly subscription rate of just \$5.99. Amazon allows you to confirm your online eligibility, and you can start leveraging your membership immediately. 3. As part of the Amazon Associates Program If you have your own blog or website, the Amazon Associates program makes it easy to generate affiliate income across millions of products. What's even sweeter is that you can earn \$3 per amazon prime 30-day free trial subscription through a link on your website. It all takes 4-5 subscriptions per month for your subscription to be covered. Amazon Household lets you share Prime benefits with your family, so you won't have to buy additional subscriptions. Amazon Household makes it easy to share Prime benefits with your family, so you won't have to buy additional subscriptions. Through this feature, you are allowed to add an additional adult, along with four teenagers (13 to 17 years old) and four children (12 years and younger). Once registered, members of your Amazon Household can take advantage of the following benefits: Shared Digital Library, which may include free Prime Shipping e-books, apps, and games Early access to amazon Lightning Deals Prime Video streaming 5. Use amazon family benefits While Amazon Household allows your family to save by allowing members access to Prime benefits, Amazon Family can save you more money. Waiting Child? You will get a complete 15% discount off all remaining items on your baby subscription. SEE ALSO: 5 ways to get free Amazon Prime (at least for a while) Even better, be a part of Family means you'll get up to 20% off baby food, diapers, and other common household items for your kids. If you regularly place an order on Amazon, cost savings alone are enough to wipe out your Prime membership fee. 6. Enroll in the Monthly Prime Plan Although it may be tempting to receive an annual Prime membership of \$119, you can save money by signing up for a monthly plan. How will this save you? At the annual rate, you'll pay about \$9.92 per month for Prime. But if you only plan to use your Prime membership several times a year, it's much cheaper to sign up when needed. Then you can keep your money in your pocket for months when prime minister is not needed. 7. Get Amazon Credit Cards amazon offers Rewards Visa Cards and Store Cards, both with 5% cash refunds for Amazon purchases. You'll still have to pay a monthly or annual fee for your Prime membership, but your earnings can help reduce your out-of-pocket costs. To illustrate: If you spend \$300 per month at Amazon with one of these cards, you'll get \$15 cash back, which more than offsets a monthly membership fee. DealNews may be compensated by the companies mentioned in this article. Please note that, although prices sometimes fluctuate or expire unexpectedly, all products and trades mentioned in this feature are available at the lowest total price we can find at the time of publication (unless otherwise stated). Shopping on Amazon with free two-day shipping is extremely convenient and when you add to all the other benefits of membership, signing up for Amazon Prime seems like an integral part of modern life. But for many Americans who are struggling financially, the subscription price of \$119 for a year, or \$12.99 monthly, may be too high a bar for entry. That's why Amazon has reduced Prime membership rates by up to 50% for students, those with valid EBT cards, and Medicaid recipients. Here's what you need to know about these discounts. Amazon Prime Day is coming! Start a free trial now to get the best price of the year! Amazon Prime Student Discount College students can get Amazon Prime for \$6.49 a month or just \$59 a year. For that price, get free two-day shipping, unlimited movies, and TV shows on Prime Video, unlimited music play, unlimited reading on any device, unlimited photo storage, and free same-day delivery in eligible regions. To qualify for a student discount, you'll need to enter a valid .edu email address and give the year you expect to graduate. If you don't have an .edu email address, you'll need to provide scan, photo, or screenshot of one of the following: Your student ID showing the current or expiration date; just some invalid student ID Transcript or your class list for the current semester with your name and your school name on which your tuition bill for the current semester with your name and your school name on which An official acceptance letter for the upcoming semester (must include the date of matriculation) Other transactions that students will like: Amazon Prime EBT Cardholder Discounts Those with a valid EBT (Electronic Benefits Transfer) card can receive all the same Prime services for \$5.99 a month (no discount for annual subscriptions). You must be re-eligible for this discount every 12 months and you can

only qualify for it for up to 48 months. Government EBT card programs include: Women, Infants, and Children's Temporary Assistance Program (WIC) Supplementary Nutrition Assistance Program (SNAP) Other state-by-state programs Find out if you qualify for Amazon Prime discounts. To be eligible, cardholders must enter their EBT number and the status issued by, as well as upload an image of the EBT card and confirm that the card is current and valid. It is important to remember that while an EBT card is required to qualify for this discount, you cannot pay for Prime with it. Amazon's other useful household and household deals: Amazon Prime Medicaid Discount This is Amazon's latest discount and it looks very similar to the deal for EBT card holders. Medicaid recipients can receive Prime for \$5.99 a month for up to four years, but must be re-eligible every 12 months. To qualify, Medicaid recipients must upload an image of their Medicaid card and confirm that the card is currently valid. Amazon Military Discount Amazon does not currently offer military discounts, but that may change. Last year, Amazon announced special membership discounts Veterans Day Prime. For six days in November 2019, active veterans, military personnel, and Guard and Reserve members are eligible to get an annual Amazon Prime membership for \$79 or \$40. Eligible Prime members who receive a discount can renew their annual subscription using the Veterans Day discount. Special discounts are just one of the ways Amazon has shown support for current and former military members. Check back in early November 2020 to find out if Amazon is renewing this military discount. Falling.
