More than just a piece of furniture.

This sofa is a place where stories unfold, memories are made and a home finds its soul. The integrated seat depth adjustment adapts effortlessly to its owners, whilst the fold-out armrests are the highlight. Supported by elegant metal runners that lend the **comet** 56742 a sense of floating lightness, the model exudes a powerful presence, combined with personality and style. A space full of cosy comfort. The model is also available in a combination of different upholstery fabrics and colours.

Flexible seat depth

On some units, the backs can be moved back a few cm to increase the seat depth. The total depth changes.

Flexible armparts

The armparts are foldable and fitted with notch function as standard.

Simply nice

The discreetly used, striking tuck at the outside edges of the upholstery provides a unique look.

nanoSOFT seating comfort

This model features the special **nanoSOFT** seating comfort, which combines softness with ergonomic support.

Combined covers

This model can also be supplied in combined covers and combined cover colours. See order information.

ORDER INFORMATION

Flexible armparts:

Maximum load capacity up to 25 kg, they are not seats.

Back sides of sofas:

All pieces are genuinely upholstered at the back.

Positioning diagram:

Please send us a positioning diagram, depending on the different variations available. The connecting sides got marked in red for some elements in the type guide.

Base leg Z:

If elements and sofas without or with 1 armpart are to be placed directly against elements or sofas without or with 1 armpart, a base leg Z is required and must be ordered separately.

Connecting sides:

For a surcharge, the connecting sides can be supplied in the original cover instead of stretch

www.schillig.com

fabric.

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

All dimensions given are approximate measurements in inches. We reserve the right to make changes. The dimensions are given in width/depth/height/seat height.

Seat depth: approx. **23 in**

Seat depth with function seat depth adjustment:

Back at the front: approx. **23 in**

Back at the back: approx. **33 in**

Seat depth one arm chaise: approx. **50 in**

Seat depth one arm chaise incl. seat depth adjustment: approx. **60 in**

Overall depth sofas, with rear back: approx.

49 in

Total depth of one arm chaise when back is at the back: approx. **77 in**

Total depth of corner sofa when back at rear: approx. **96 in**

Total depth of daybed when backrest is in rear position: approx. **49 in**

Recommended wall distance: approx. **16 in**

Armrest width: approx. **15 in**

Armrest depth: approx. **36 in**

Armrest height: approx. **20 in**

Armrest height with function full up: approx.

24 in

Note on seat height:

The final seat height on this model is only reached over time by sitting in, due to the upholstery construction.

Measurements of the corner combinations:

With this model the seat of the one arm chaises the seat rises approx. 2 to 3 cm into the connecting side. Therefore other total measures occur than by pure addition of the article measurements. Please note.

Particularly casual upholstery:

The upholstery of the model is particularly casually processed to create a certain visual appearance, which is characterised by a super soft surface. Covers may already show a pronounced wave pattern on delivery, which is intentional in terms of design and construction and can become even more pronounced during use. This is not a quality defect, but a model-related characteristic.

Note on the upholstery structure:

For this model, inlets with chamber cushions have been used in the seat and back cushions. This can lead to the marking of individual cham-

bers and is a typical feature of the product.

Digital fabric/leather and colour samples:

The visual appearance of the covers and colour samples may vary, samples in accordance - colour and structure deviations possible.

Combined covers:

This model can also be supplied in a combination of different cover qualities and colours. See price list.

price 1: frame

price 2: seat and back cushions, armrest cushions

LEGS

metal runner black

F T9

Powder-coated:

The colour M99 black is powder-coated.

Leg and floor protection:

Slim furniture legs with a small gliding surface exert increased pressure on the floor. For sensitive floors, we recommend fitting glides/ an underlay to protect against scratches and pressure marks.
