Helping Consumers and Merchants

Profits4Us is different things to different people. When you subscribe to our **Community Assist Program (C.A.P.)**, from just R50/\$50 pm as a **Customer**, you get 5 “Job” listings in our **SkillStore**, plus full access to our **Business Training Library** and automatic entry into our **Community Assist Program’s Income Plan** for commission purposes. With your first sale you become a **Salesperson**. When your customers and other contacts also subscribe to the **C.A.P. Program** (because everyone has skills they can sell), **you** earn monthly commissions. When **they** sell the Program, **you** get promoted to **Supervisor, Sales Manager** and so on.

As a paid-up **C.A.P.** member, you can then use the Profits4Us services as follows:

- With our **SkillStore** and our modular “business-in-a-box” you can create and run your own online Business Network and immediately start earning an income.
- Market our excellent products, or your own, or both.
- Generate an above-average primary or supplementary income. Get automatic promotions!
- Use Profits4Us as a Marketing Tool for other programs or businesses you’re involved in.
- Use Profits4Us as a “Feeder” into other, more expensive programs.
- It’s a **Sales Funnel** into our **Money Pipeline**.
- Earn bigger, more valuable **Sales Incentives** as you build your Profits4Us Business!
- It’s an excellent Staff and/or Customer **Incentive Plan**.
- It will become your **Retirement Plan**. You don’t have to be old to retire, you just need enough money!

We have a .co.za web site in ZAR for our South African members, and a .com web site in USD for our international members. SA members can also join the .com Program and earn in USD.

Our Main Products

Profits4Us' main products are: Our **SkillSearch program**, where you can sell your skills and talents in our **SkillStore**, instead of products, and keep 90% of all the money you generate; the **Business Training Program**; the **5-tier, 12-status Income Plan**; our **Diamond MasterCard debit card**; our **precious metals**; and more.

When you subscribe to our **Community Assist Program**, starting from as little as R50 (\$50) pm, you are automatically included in our **Income Plan** as a **Salesperson**, under the person who sold it to you. Make sure you register from their **Referral Link!**

All South African Members get a **FREE Diamond Cash debit card** after they have paid their registration fee and first subscription. I am still negotiating a deal for my international members. All Profits4Us commissions are paid into these accounts.

You can track your sales and income in your Profits4Us back office. See **"Other Products"** on our SA web site for more information on the card.

The **Income Plan** has 12 status levels. The first 5 are:

***AS LONG AS YOU AND YOUR TEAM
FOLLOW AND IMPLEMENT
OUR SUCCESS FORMULA TO THE LETTER!***

I will work closely with you to make sure it happens, but you need to put in the **effort** and take the required **actions**.

I can't help you if you won't help yourself!

READ the information we provide you with.
Go to <http://tinyurl.com/465RO4>. It's your Business Manual.

REMEMBER, READERS ARE LEADERS!!

3 Steps to become a GUARANTEED Millionaire!

1. Join our Community Assist Program (C.A.P.) as a Salesperson.

Initial fee, including first subscription, registration and Diamond debit card post & packaging = R165. Thereafter, R50 pm only.

2. Sign up just 10 associates – no more! – at R50 pm each and become a Salesperson, *with my help!* Do this in month 1 and you will earn a **25% Quick Start Bonus** (R125 at Salesperson level) on all your first month signups instead of 10% (R50) and you will never have to pay your subscription from your pocket again.

3. Help your 10 Team members to introduce 10 friends each. (They can also bring them to my webinars and presentations, which I will be giving on a regular basis. Just book your day and time). At this point, on tiers 1 & 2 you will have 110 people in your Team and you will be earning R550 pm in commissions.

At this level, you will get promoted automatically to **Area Manager** in your personal Profits4Us business platform (R400 pm subscription + R150 pm payout). When the people in your Sales Team get promoted, **your** commissions will double with every promotion, because that is how Profits4Us is structured!

The next 2 slides will show you how easy it is to sign up 10 people and **earn in excess of R550,000 pm!** The slides only show comm. earned at **Salesperson** level.

Example 1: Engage the Power of 2!

Recover your cost asap with the least amount of work.

Example 2: Recover your cost with 10 personal sales as a Salesperson and earn MASSIVE commissions when they do the same on tiers 2-5.

Total commission from the "Action Plan" at Salesperson level = R555,550 per month. This is possible within 6-12 months!

Salesperson's Income Example

Tier No.	Total Sales	Premium R50 / \$50 pm	Commissions Per Month	Accumulative Income per month
1	Your Personal sales as a Salesperson - 10	x 10% comm.	R50 / \$50	R50 / \$50
2	Your Team sales as a Supervisor - 100	x 10% override	R500 / \$500	R550 / \$550
3	Your Team sales as a Sales Manager - 1,000	x 10% override	R5,000 / \$5,000	R5,550 / \$5,550
4	Your Team sales as an Area Manager - 10,000	x 10% override	R50,000 / \$50,000	R55,550 / \$55,550
5	Your Team sales as a Regional Manager - 100,000	x 10% override	R500,000 / \$500,000	R555,550 / \$555,550

Total Salesperson's Income per month: R555,550 / \$555,550

As your monthly income increases, you are automatically promoted to the next status level. When your downline members are promoted, your commission on those members' monthly subscriptions **DOUBLES!**

All **YOU** have to do is **HELP** them get there and **YOUR** income increases!

INCOME DISCLAIMER! These are potential income EXAMPLES and are by no means a guarantee of income. Everyone's circumstances and efforts are different and they will all experience different results, depending on how much effort they put into building their personal Profits4Us Business Networks.

The Income Plan

As a Profits4Us member, you now have your own online business with a growing range of excellent products. You work for yourself and for your upline with *their* help, and you have people working for you, whom *you* help to achieve success!

Profits4Us pays commissions **5 tiers deep** for the sales of our **Community Assist Program (C.A.P.)** and its associated products. When people subscribe to C.A.P., they are automatically registered with **SkillSearch** and get access to our **Business Training** modules. They get a **Diamond debit card** and they are automatically registered with the **Income Plan** for commission purposes. They get their own back office and **Referral Link** to hand out to people.

The Profits4Us Income Plan is so simple, it can be explained in 45 seconds. Here is the explanation:

“Profits4Us is a Community Assist Program with 12 status levels, starting at R50 pm, with 5 tiers of commission payouts per person per month.

The people on Tier 1 below you are your Customers. When they sell C.A.P. subscriptions, they become your Salespeople and you get promoted to Supervisor. You earn 10% commission on all your Personal sales plus 10% overriding commission on all your Team’s sales, 5 tiers deep. You also get a 25% Quick Start Bonus if you sell 10 packages and break even in your first month.

From month 2 onwards, you get a 10% Performance Bonus in every month that you PERSONALLY sell 12 or more C.A.P. subscriptions, so you effectively earn 20%.”

So, at Profits4Us we are in business **FOR** ourselves, but not **BY** ourselves.

Business Training Modules

Profits4Us provides “Active” members with a growing library of excellent **Business Network** and **Internet Entrepreneur** training modules, written by the best trainers in the business. We have compiled these modules so you can learn to become a successful, independently wealthy internet businessperson.

You learn at your own pace. You will learn to market and sell via email, social media, and offline. We constantly add new modules and marketing tools, so login often on our web site to see what’s new:

<http://tinyurl.com/465RO4>.

We also provide you with **your own Internet Business**, with admin, sales, marketing, web hosting, payment gateways, merchant accounts, training and support, so you can start making money **IMMEDIATELY!**

“Education is the passport to the future, because the future belongs to those who prepare for it today.”

-- Malcolm X

Our Connection With Each Other

In Profits4Us we are all connected. We **work together** to help each other achieve financial freedom. *We cannot do it alone!*

So, your Sales Team Members are working for themselves, and for you.

You are working for yourself, and for the 5 people above you.

“Many leaves, one tree.”

We are all individuals, but we are all linked together.
We share, help each other and work together towards

OUR MUTUAL SUCCESS!

Get Promoted!

It's the KEY to Wealth!

Work with your Team and help them increase their sales. When they do, **your income** will increase dramatically.

The secrets to achieving this success are:

1. **Bring in** enough new customers **AND HELP THEM DO THE SAME** to get you promoted to the next status level, then the next, then the next.
2. **HELP** those new members to get promoted. All they have to do is to **COPY YOU!**
3. **TEACH** them to help **THEIR** customers to do the same, by copying **THEM!**
4. **COMMUNICATE** with your team on a regular basis so they don't feel abandoned and drop out. **You NEED their monthly subscriptions** to earn commissions from!

When the incomes of the people on your 1st - 5th tiers increases, they will be promoted to the next status level and YOU will start earning 10% overriding commissions on R100 / \$100 pm, R200 / \$200 pm, R400 / \$400 pm and R800 / \$800 pm respectively.

Set yourself the goal of reaching the next status level as soon as possible, then the next, then the next.

If your Team member is at **Regional Manager Level**, you are earning **16 TIMES MORE** off them than you were when they were at **Salesman Level!**

SkillSearch

SkillSearch is a program we set up to help people who are unemployed or underpaid, including the elderly and the disabled. The idea is to enable them to generate an excellent, regular income doing what they do best without having to answer to a boss or step outside their comfort zone, and restore their dignity. Everyone has skills or talents that others need, eg: being able to fix things, teach subjects, make things, rent out machinery, etc.

Now you can list your skills and talents in our **SkillStore** for buyers to purchase short-term. The **SkillSearch** site is where you **learn** about the business.

Profits4Us members can list up to 5 skills or talents (“Jobs”) for free as part of their **Salesman** subscription. When hired, by being punctual, working to schedule, providing quality work and getting **positive reviews** from their customers, they will get more Job requests from new Customers.

Commercial or business sellers are people who have already turned their skills into businesses, eg: landscapers, plumbers, accountants, transporters. They can join Profits4Us as Sales Managers (R200 pm) and list up to 20 Jobs each. See “Pricing” on the SkillSearch site for additional advertising costs.

SkillStore

Our **SkillStore** web site is where buyers and sellers meet.

Your skills and talents are called Jobs, and each Job has its own Job Page.

Here you post a picture that illustrates what your Job is, eg: if you teach swimming, show a picture of someone swimming. (Search Google for free pics).

You write a Description of the service you offer, and you show the price, either a once-off cost, or an hourly, daily, weekly or monthly rate.

You can add 1 free video per Job listing and each Job gets listed in 2 Categories.

Buyers will browse the site, looking for the Jobs they require. If they can't find it, they send us a Job Request and we advertise these requests to our database and social media followers. Someone who can provide that service then registers and lists their skill, which we then refer to the buyer.

So we actually find customers for you, but we don't endorse any sellers.

When the buyer places an order, they pay Profits4Us upfront. You do the job, we make sure the customer is satisfied, then we pay you (the seller) 90% of your fee. We keep a 10% service fee to maintain the business.

The buyer is encouraged to write reviews about your service, good or bad.

Other Network Companies' Mistakes

And how we avoid them!

We have identified and eliminated **14 common mistakes** that other network companies make, over and over again, never learning from others. Here are 11 of them.

1. Their entry fee is too high. With our low entry fees, stokvel and Mobicred options, everyone can afford to join Profits4Us from as little as R50 / \$50 pm.
2. Many of them do not have well-defined products and services. We do!
3. Their compensation plans are far too complicated. Ours is powerful, yet very easy to explain and understand. That makes it easier for people to decide to join.
4. Their qualifiers to upgrade are too difficult to reach. Ours are dead simple!
5. They do not provide sufficient incentives for members to bring in more paying customers. We pay high commissions and we give Bonuses, valuable Sales Incentives and more!
6. They do not reward members who bring in customers at a higher subscription level than their own. We do!
7. We are the only online company that pays the same commissions (10%) on all 5 tiers!
8. Other companies hide their costs. You have to really hunt around to find them. With us you know up-front what your costs are, and what you get for your money.
9. Their programs are too labour-intensive to bring new customers into the business. We make it easy for you to sign people up. Just bring or send them to our presentations or webinars and we will do the work for you! We work together and everyone gets paid!
10. They do not communicating properly with their team. We phone, whatsapp, skype and email, and we write social media posts regularly. Not too much, not too little.
11. They do not let their members know who the owners are, where they live or how to contact them directly. With Profits4Us, you can call or visit the CEO at his home.

Sales Funnel, Sales Incentives and the Money Pipeline

When you join the **Profits4Us C.A.P. Program** you automatically enter the **Money Pipeline** through the **Sales Funnel**.

As you and your Sales Team sell more and more **C.A.P. Programs**, and as more and more people join your Sales Team, they will push you through the Money Pipeline and your monthly income will increase progressively.

As you hit certain monthly income levels, you start getting **promoted** and earning **Sales Incentives** as **Rewards** for your **EFFORTS**.

We give away these valuable **Sales Incentives** because we want to reward you for your hard work. The more customers you bring to us, the more commissions you will earn and the more incentives we will give you! It's our way of saying "Thank You" for your marketing efforts and your support, and it's an incentive for you to work harder and do better.

Sales Incentives

The VALUE of the Sales Incentives you get in the Money Pipeline INCREASES as your income increases. The current incentives include:

C.A.P. Status promotions;

Supermarket vouchers;

Product vouchers;

Your own web site software;

Free smartphones, tablets and laptops;

Electronic logbooks for your vehicles;

A deposit on a **car**;

A custom-built **Fusion Trike**.

Paid entries into other business opportunities;

A deposit on your **DREAM HOME!**

We are constantly sourcing more and more Incentives for our members, to add greater value to our service at **NO EXTRA COST** to you!

Community Service

We can only prosper if we share our good fortune with others.

However, there are those who are less fortunate than ourselves, and they are often unable to help themselves. They need *our* help!

Therefore, we have implemented a community service where we “pay it forward” to help those in need, specifically destitute elderly people; abused women and children; the disabled; abused animals; guide dogs and police dogs and horses.

All our members will participate in this charitable cause by giving 5% of their PROFITS4US income to these people, so we can improve the quality of their lives.

The 5% will only be payable from the time a member is earning R1,000 / \$1,000 pm or more.

That's just R50 per R1,000, or \$50 per \$1,000.

We thank all of you in advance for your generosity.

Believe in Yourself – AND Us!

To succeed in any business, you **MUST** believe in yourself, the company and the products!

DO NOT ALLOW negative-minded people to steal your dreams! Especially if they are your immediate family members or your best friend. Don't let them influence you negatively!

You must just **get into the habit of telling at least 10 people a day about Profits4Us**. It's worth the effort, considering what we give back to you! (Potentially in excess of R550,000 / \$550,000 per month!).

**DOUBLE DIGITS A DAY
KEEP THE COMMISSIONS COMING YOUR WAY!**

-- Todd Falcone.

Ask Yourself These Questions

How much am I earning in my job / business right now?

How many bad decisions, failures and disappointments have I experienced?

How many hours do I work per day to earn what I'm earning now?

How many YEARS have I been working to earn that?

How many hours do I spend commuting to work and back every day?

What is my fuel bill and what do takeaways cost me every month?

Do I even *like* my job / my colleagues / my staff / my business / my boss?

Right now, can I buy the things I'd LIKE to have?

In a job, will I EVER BE ABLE TO BUY the things I want to have?

How long will it take me in this job / business to earn over R500,000 per month?

ANSWER: FOREVER!!

NOTE! If you work your Profits4Us business **DILIGENTLY** from home, the money you save on fuel and takeaways will more than cover your monthly premiums – until your comm's cover your subscriptions! (Just 10 signups).

AND you could soon be earning in excess of R500,000 pm!!

NOW Ask Yourself...

How many people do I know who would like to earn an extra R10,000 – R20,000 (\$10,000 - \$20,000) pm?

To earn this, can they afford to pay R50 / \$50 pm for 1-2 months while they sign up 10 new Customers to break even?

Do they know 10-20 people who can afford R50 / \$50 pm x 1-2 months and who want to earn an extra R10,000 – R20,000 (\$10,000 - \$20,000) pm? Yes!

How difficult is it to register and make a payment? Very easy.

How difficult is it to bring people to a presentation? Very easy.

Would I like to see bigger and bigger amounts being paid into my bank account every month? Yes, please!

Would I prefer to work from home? Sure.

Can I work my Profits4Us business full time, for a living?? YES!!

***If you WANT TO DO this, full time or part time,
You WILL make money with PROFITS4US!***

Everyone LOVES Profits4Us! So don't fear rejection. It's not likely to happen. (If they do say "No", feel sorry for THEM for not seeing the Vision)!

Be positive! "Every NO brings you closer to the next YES!"

PROPER COMMUNICATION is PARAMOUNT!!

In network marketing, people so often make the mistake of “abandoning” their signups once they have joined and paid their first subscription. The introducer moves on to their next prospect and they stop keeping in touch with the people they have already signed up. These people get what is known as “buyer’s remorse”. They wanted to belong to something, and now they get the feeling that their introducer was only interested in their money, not in them. Within a few months they cancel their membership and drop out.

YOU MUST NOT LET THIS HAPPEN!!

These people are important to you. You are making money from them, so don’t abandon them! Phone, sms, whatsapp and email them often. Make appointments to help them sign up new members. ***YOU will earn money from their efforts, too!***

It’s important that you make use of available technology, because this is how we communicate with you. Stay in touch, or you will lose out on important information.

You **MUST** have your own valid email address, NOT shared with anyone else and NOT a business email address where you currently work. This is because we might send you sensitive information, eg: your member login details and the Webmaster could steal them.

You **MUST** have whatsapp on your phone, and you must have data on your phone at all times, so you can connect to the internet to receive and send messages.

How to Sign Up.

1. Click on your Introducer's **Referral Link** or go to <http://tinyurl.com/465RO4> if you don't have an introducer.
2. Click on "**Click Here to Join**", click the picture of your chosen status level, follow the registration instructions, complete the Membership Registration Form and make immediate payment of your first premium, registration fee and Diamond card postage fee so we can activate your Profits4Us account and register you with SkillSearch.
3. People living in S. Africa must make initial payment via EFT, debit card, cash deposit or Payfast. To pay by EFT, open a new browser for your internet banking. Copy and paste our bank details in and save them as a beneficiary.
VERY IMPORTANT! You must ONLY pay subscriptions into the Profits4Us bank account, NOT into your introducer's bank account. Nor must you give cash at presentations to anyone other than Paul von Wildenrath, CEO of Profits4Us. Tel Paul immediately if anyone asks you for money.
S. Africans: Complete & sign the debit order form emailed to you, for future automatic payments.
Once your funds have cleared, your Profits4Us account will be activated.
4. Login as a member so you can see your **Referral Link**, who is in your downline and how much commission is owing to you at any one time. Reporting is in real time.
5. Learn the business and start posting out your Referral Link. **Please don't spam!**
6. Start introducing new customers and grow your database and your commissions.

What We Need From You.

1. If you are already a member, bring guests to an online presentation, and give them your **Referral Link**. If they want to join at **Salesman** level, that will be R165 initially, made up as follows: R50 subscription, R50 registration fee and R65 Diamond card postage. Thereafter, it is R50 pm.
If they want to join at **Sales Manager** level, for example, that will be R315 initially, made up as follows: R200 subscription, R50 registration fee and R65 debit card postage. Thereafter, it is R200 pm.

You can buy up to 3 secondary Diamond debit cards for your family members at R220 each, from **OurStore**. We will credit your **primary Diamond card** with your Profits4Us commissions every month.

2. I need a **CERTIFIED COPY** of your SA ID book or passport emailed to me. We need to FICA you for your debit card.
3. You must also email me a **CERTIFIED COPY** of your proof of residence, showing your name and physical address. This could be a cellphone account, retail account or utility bill. If you don't have these accounts and you are sub-letting, bring a signed letter from the person who receives the utility bill for your home, stating that you live there. It must state the physical address as well.

Thank you for reading this presentation.

If you need to make some extra cash, please ask the person who showed you this presentation for their Referral Link.
