## **DIRECTOR & HEAD OF BUSINESS DEVELOPMENT**

### **MESSAGE**

At AM Revolution Sdn Bhd, we believe that every surface tells a story – and it is our responsibility to ensure that story reflects strength, safety, and durability. Since our establishment, we have remained committed to delivering high-quality blasting and painting solutions that meet the stringent demands of today's oil & gas, marine, construction, and industrial sectors.

Our industry is built on precision, reliability, and trust. That is why we invest continuously in advanced equipment, skilled manpower, and innovative work processes to ensure every project is completed to the highest standards. Whether it is surface preparation, protective coating, or maintenance works, our team approaches every task with the same dedication to excellence.

Safety is at the core of everything we do. We adhere strictly to industry best practices and regulatory requirements, ensuring that our clients receive not only exceptional workmanship but also peace of mind throughout the project lifecycle. As we move forward, our mission remains clear – to be your trusted partner in providing top-tier blasting and painting services, while building lasting relationships grounded in professionalism, integrity, and outstanding results.

Thank you for your confidence in us. We look forward to continuing this journey of growth and excellence together.

# VISION & MISSION

## Vision

- To provide our client with outstanding service and top rated product.
- Pursuing for cleaner and sustainable approach while growing our reputation with excellent performance

## Mission

Exploring up to date technology to further improving the industry that reduces negative environmental impacts through significant energy efficiency improvements and the sustainable use of resources.

# HSE POLICY AM REVOLUTION SDN BHD

## HEALTH, SAFETY AND ENVIRONMENT POLICY

*Updated version 2025*

AM REVOLUTION SDN BHD is committed to maintaining the highest standards of health, safety, and environmental (HSE) performance across all business operations. We believe that every individual has the right to a safe and healthy workplace, and we are dedicated to minimizing environmental impact while protecting the well-being of our employees, contractors, clients, and the communities in which we operate.

To uphold this commitment, we implement proactive strategies to manage HSE risks, mitigate hazards, and continuously enhance our HSE systems and culture throughout the organization:

1. Strive to eliminate workplace hazards and reduce the risk of injury or illness by applying effective controls tailored to the nature and scale of our operations.
2. Minimize environmental impact through structured identification, assessment, and management of environmental aspects and impacts.
3. Comply fully with applicable HSE laws, regulations, and industry best practices relevant to our operations.
4. Promote a culture of continuous HSE improvement through regular performance evaluations and data-driven decision-making.
5. Ensure that all personnel are adequately trained, resourced, and empowered to take ownership of HSE responsibilities, including active participation and communication.
6. Provide and maintain safe workplaces, equipment, and systems of work, ensuring that risks are minimized as far as reasonably practicable.
7. Establish and test comprehensive emergency response and contingency plans to ensure preparedness for potential incidents.
8. Continuously refine our HSE management system through audits, feedback mechanisms, and periodic reviews to drive innovation and improvement.

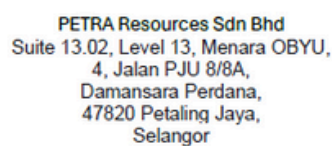

All employees, contractors, and relevant stakeholders share the responsibility to uphold this policy. Adherence to HSE requirements is a fundamental expectation for all individuals acting on behalf of AM REVOLUTION SDN BHD.

AMELYA YA MAHMUD

Director of AM Revolution Sdn Bhd (1460286-T)

2 June 2025

We at Petra Resources Sdn Bhd would like to extend our heartfelt appreciation to AM Revolution for their outstanding performance in completing the vapour blasting project at the KNNAG Project. Their dedication and expertise have truly impressed us.

The project, titled "LOGISTIC ARRANGEMENT FOR VAPOR ABRESSIVE BLASTING (VAB) ACTIVITY FOR KINABALU NAG DEVELOPMENT(KNPG-B) PROJECT" encompassed a total area of 2882 square meters, with 1200 square meters dedicated to blasting activities. The remaining area required spot repair and painting touch-ups, which were meticulously handled by the AM Revolution team.

Best Regards,

  
Z. M. KAYA  
CHIEF MANAGER  
HUMAN RESOURCES AND TRAINING  
DAGI
