# Vision & Mission

## Vision

Building a sustainable future where innovation drives concrete global action. Being part of WSF 2025 means joining the select circle of leaders who more than showcasing track-records, are driving the next change and magnitude for Sustainability.

## Mission

- Accelerate sustainable solutions worldwide, focused on Sustainable Business and Solutions, Science based.
- Bridge public and private actors for collective impact.
- Define actionable principles for the next decades.

## 10 YEARS ANNIVERSARY, PARIS AGREEMENT

- 🌐 On 12th December 2025, exactly 10 years after the Paris Agreement, the World Sustainable Forum will gather global leaders in Paris to transform commitments into action.
- 🌐 Those who are shaping markets, influencing positively policies, and leading innovative & relevant business aligning with planetary limits.
- 🌐 Say like this, if you want to be part of the best or knowing them, you must be there.

## Context

## World Sustainable Forum is more than a forum.

**Symbolic & historic:** the 10th Anniversary of the Paris Agreement, with the CO-Signing exceptional Session, leading collective & RE-affirmative actions.

**Funding Marathon:** accelerating Climate innovative Solutions  
("Championship of Sustainability")

**WSF is the global arena where the References in sustainability is defined,  
and the Future co-designed.**

# Why being sponsor ?

## Why your company should sponsor ?

- **Leadership positioning:** align at the highest level your brand among the world's sustainable players & innovators for Climate & Sustainability
- **Global positioning:** visibility across international media exposure and extensive press coverage
- **Prestige recognition & Exclusivity:** spotlight recognition during the Gala & Awards.

## Why this event is unmissable?

This is more than attending another event.

- **In OneDay, OnePlace:** "COP of C-LEVELS" and "COP of Academies".
- **Exclusive 5 HighLevel WorkingGroups:** By invitation only, with Top C-levels | **Action-driven:** delivering real-time 10 recommendations for a World Sustainable Future.
- **Celebrated:** Gala & Awards honoring Sustainable Champions, including COP21 and PARIS 2024 Organizers.

## Unmissable Event

## Audience & addvalues

## Impact in numbers

- **High-level networking:** connect with 500+ Decision Makers (CEOs, Entrepreneurs, Investors, institutions, scientists, policymakers, and NGOs).
- **Direct access:** engage with 1,000+ innovative Players and breakthrough solutions for climate & sustainability.
- **Media:** Global coverage and live streaming (the 24H of Climate) for International reach across all continents.
- **Exclusive spotlight:** recognition during the Gala & Awards.

We would be delighted to schedule a call with you to present the [sponsorship packages](#) and secure **Your Company or Organization's** place among the leaders of **WSF 2025**.

**Thank you for considering this opportunity**  
**to join world Reference Makers, at one of the most important moments for XXI.**
