

## NEWSLETTER February 2022

### President's Pen

#### February 2022 (Richard George)

Memberships growing and we'd like to welcome the 62 members who have now joined or re-joined for 2022. It's great to go to training and meet so many new swimmers from Busselton and nearby who have heard of the Club and want to be apart of what we do. We owe Todd Taylor much for his work behind the scenes making this happen. Todd's hit two milestones; 50 years and 1000km on Bold and Beautiful, so please wish him well. Also, congratulations to Bold and Beautiful **Budgy Smuggler** Award winners Maureen King—swimmer of the Year 2021 and Di Panorios for the swimmer of the Month.

It needs to be noted that we are now into the new world of swimming through COVID-19. As you're all aware, entry rules will be changing at sites like the GLC and for access to coffee shops. Outdoor group events and swims are unlikely to be interrupted as much, however, we will all need to adapt to changes and take care of each other – and respect that we will all have different levels of risk and social distancing requirements.

The Committee will be meeting on Wednesday 9<sup>th</sup> February at the GLC and this will be one of the agenda items. Please contact us if there is something you would like us to consider? One issue that's important is Safety and the requirements for all Masters Clubs to setup policies and processes to ensure we are managing swims in the safest way possible and conforming to Insurance requirements. This will be a challenge we will need to address.

February and March is 'peak' season for Busselton Masters swimmers. We completed a wonderful swim at Gnarabup in clear water and light conditions, and thanks to Swimming Women and their sponsors, had a fantastic morning and brunch afterwards. I think a few of us did PBs and probably benefitted as much from Andrew Sextons sessions as from the timekeeper! Coming up we have the Jetty Swim in less than two weeks, quickly followed by Rotto swim for our guns (and sons), then the Barrett's Swim in Bunbury and our social swim at Augusta. Colin has all these in hand, and you can see the details in this and previous newsletters.

The Jetty Committee advised us of an opportunity to provide volunteers, but in the end we decided not to as the tasks were reasonably heavy (set up / pack up), and many had already volunteered privately. We are also committed to volunteering at 3 events and need to focus our efforts and your support respectfully. In Jetty Swim 2022 we have a strong team of swimmers, with some first timers too. On the day, we will be meeting outside the Equinox. Look out for Colin's gazebos or our Masters sign and please arrive early for a 2022 starters photo. The photo is usually done just prior to the race briefing.

## President's Pen - continued

The Committee has been busy seeking Masters WA and Busselton City support and funds. Richard Stubbs (Grants Officer) and Donna Stephenson and the team helping have submitted applications to ensure we have a RESTART 2022 and Open Water Swimming seminar and training session in March and April. The larger application to City of Busselton was presented to them in person by Richard Stubbs and accepted for assessment last week. We have sought swimming gear, equipment, web upgrades and promotional signs and related materials.

This Club only runs because of the Committee and all your personal contributions and volunteering effort. I am fortunate to see the depth and breadth of that and need to acknowledge how lucky we are. A shout out to Mon for anonymously, keeping up the stories about the cyclists and to Colin H. for keeping us up to date on Open Water Swims. I'd especially like to welcome and thank Steve Gibson who has started his Masters Coaching program and has taken on developing some informal swims – which from recounted stories has been fun. See the Out and About article.

Coming up, the Tuesday and Thursday nights sessions will move from being focused on the Jetty Swim to mid distance and fitness sessions, so please make time. Numbers have been up too and we often have 15 to 20 members. Andrew Sextons sessions are extremely good and, while at 7PM, are worth getting out for. We also welcome Masters members from other Clubs from time to time.

Remember Trish's Fishes are on Mondays at 8:15 and our weekly special swim, Saturday at 8:30 sharp at the nets.

Yallingup Social Swims resumed this week. Getting coffee proved to be complex. The Yallingup Store have removed their seating. From next week we will try taking a packed lunch to the lawn near the Yallingup lagoon. Either bring a flask with your drink, or buy a cuppa at the Lagoon Café Yallingup. Maybe also bring a beach chair! We will see how it goes.

See you all in the water – and a big thanks to Gail for another great Newsletter,  
Richard George, Club President.

## Swimming Women Gnarabup 1 km Swim

Full Results are on the website.

Busselton Masters were represented by thirteen swimmers including some first timers at that event.

An enjoyable swim with nice clear water & relatively calm conditions

Times from the somewhat 'dodgy' results list as follows.

Peter swam an all time personal best record time – maybe!

He wasn't the only one with an unbelievable fast time.

BLAKE	14.55.26
RICHARD	15.44.47
PETER	18.02.67
ANDREW	18.28.66
DARRYL	18.36.70
TODD	19.03.36
COLIN	19.10.01
DONNA	20.05.77
LINDSAY	21.11.81
LESLEY	21.32.91
CHRIS	23:12.77
LYNETTE	26.55.81
SUZANNE	27.45.48
SUE	27.46.04

Due to the usual post swim crowds making their way to the White Elephant Café at the beach the group met up for coffee / breakfast at Smithereens in Cowaramup.

Rest assured that Masks were worn by all in accordance with WA Health Mandates.

The pic shows us temporarily unmasked (ear position) as eating /drinking posing for photo.

# Open Water Swimming Clinic

On Saturday 29 January 2022, Busselton Masters Swimming Club hosted a fantastic open water swimming clinic coached by Kareena Preston from Masters Swimming WA Coaches . Thirty-one swimmers presented for an hour of fun and skill learning in excellent water conditions at the Busselton nets.

Kareena demonstrated how to improve getting from the beach to swimming depth by wading and porpoising and how to swim straight through sighting.

Next time we might need to find some waves to practice grabbing the sand getting out and how to pick a wave to get in.

Thankyou to Kareena Preston Masters WA and Donna for her words and pictures

# Wheels and Peddles January 2022

## Busselettes on Bikes

And it's off we go on a fabulous Thursday morning ride, Dolphin Rd thru the Vasse area. There was a plan but sometimes plans change. Mobile phones are always helpful..

The 4 Busselettes, who swam a team for Jetty Swim last year, rode off, towards Vasse.. Yep, we got to Vasse, did a bit of a loop, lost sight of two, no problem, quick phone call, and lo and behold they were literally just across the road..

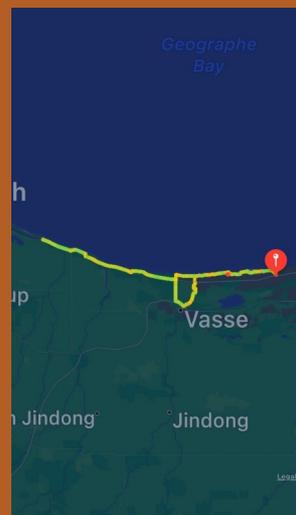

We kept on riding, peddle, peddle, peddle, ended up at Toby Inlet Bridge.

No-one fell off, no one got hurt, but there's always a twist..

On top of said Bridge, we looked at the dirty running water, the wind was blowing and suddenly, Whoosh even stronger gust of wind, the white bike, a heavy eBike, was blown over! Thankfully not off the bridge, no injuries were sustained, the bike has a broken "nail", on the brake handle, which has been in the repair shop for 2 days, (only joking) it has been repaired; no one was on the bike, a mask went floating off down the river which fell out of the basket.

Off we went, homeward bound quick stop for refreshment at Tonic (Stilts)... shared quite a few stories, about how **Not** to treat people, especially, at sad times.. I think we did pretty well. Under the Shade of a lovely big tree...

Tips and Hints: Carry a phone, repair kit just in case, a sort of medical kit, a Band-Aid and a sling, a really flashy cool helmet, always keep an eye out for others. Schools back so the tracks are free!

Bye for now

## Out and About

Lots of swimmers are participating in new (non club) activities and events! Last Friday Steve Gibson led a fun swim set at the nets, with 18 people attending! Obviously popular!

There were 2 out and back sets - starting as a group, setting a comfortable pace towards a designated point. All swimmers were encouraged to use sighting techniques, focusing particularly on the swimmer just in front of them.

Once the first person got to the designated point, they would turn and swim back to the start. (Being the nets). This sets off a chain reaction for everybody behind to stop and turn when they saw the person in front of them turn - regardless of the distance swum.

This is where the fun began - once you had turned and headed back to the nets, the idea was to try and catch the person in front of you, while doing your best to not allow the person behind to catch up. The goal was for most swimmers to finish up at the nets at the same time. The swimmers did very well to finish within 20m of each other.

The club plans to try a few of these kind of activities over the next few months. Trish, Donna and Steve would appreciate feedback and ideas that could advance our club swims.

Just a friendly reminder for our Saturday morning club swims, - if we could be down on the beach by 8.20 - 8.25 am to discuss safety, swimming distance, direction, activity and to greet new people, the swim should leave **ON** 8:30am, as this will build Club unity and ensure safety.

It's also been great to see such a large number of local swimmers joining the Sunday morning (non Club) swim from 7am at the base of the jetty. Tanya Gibson, the jetty walk lookout person, counted 62 swimmers one Sunday. At times it resembles a group of crabs coming out of rocks, nooks, cracks and crevasses heading across the beach, taking the journey to the end and back - with the odd swimmer being caught by our local fishermen friends. (Our very own president was caught 3 times in one swim - declaration no presidents were harmed while being caught in fishing line) .

## Barrett Bunbury Swim Thru'

For those who have not swum in this event before it is a bit different.

Although there are \$200 prizes for fastest male & female (which Rhonda won last year) for the rest of us, mere mortals, it isn't so much a race as a 'regularity trial'.

You nominate the time that you think you will complete the 1.6km swim and in each of the 15 age groups closest to their nominated time wins \$100

(Last year Richard took home \$100)

Should you miss out on one of the age group prizes – there are also a couple of spot prizes (Darren won one of those last year)

But of course it isn't only about winning prizes your \$30 entry fee includes a post swim BBQ held upstairs in the Rowing Club Bar.

As this year is the 40<sup>th</sup> anniversary you will also get a basketball style cap with your entry.

All the info follows you can enter online or print off the form & send it in to Barretts.

For those who have swum this one before many years ago might be put off as back then it was quite 'muddy' rest assured the water quality is much improved.

Still undecided? Just ask one of the members who swam last year.

## 40<sup>th</sup> ANNIVERSARY BARRETT BUNBURY SWIM THRU' 1.6km

**WHEN:** Saturday 26<sup>th</sup> February 2022

**TIME:** Registration 1.30 – 2.30pm Event start 3pm  
Presentations & BBQ 5pm – 6.30pm

**WHERE:** Leschenault Inlet, starting and finishing at the Bunbury Rowing Club.

**HOW:** **Registration Online Deadline Friday 25<sup>th</sup> February**  
[barrettfunerals.com.au](http://barrettfunerals.com.au)  
**Or via printed Registration form**

**COST:** \$30 includes BBQ meal (Registration on the day \$35)

**SOCIAL:** Stay around after the swim for the BBQ & drinks from the Bar

**FAQ:** **Is it Muddy?** The water isn't clear, but the quality is much improved from early years.  
**How many entrants?** Usually, 100+ but not more than 200.  
**Is it a race?** Can be with prizes for fastest Male & Female in addition each age group \$100 prizes are awarded for closest to your nominated time. So, you don't have to swim fast just consistently to match your time.  
**Changerooms?** Yes, Rowing Club toilets & showers.
