

NEWSLETTER March 2022

President's Pen March 2022 Richard George

Busselton Masters Swimming Club now has **64 members** who have joined for 2022. Together members (with friends and family) swim, ride and socialise at a diverse range of venues and communicate across a range of social media platforms (I cannot keep up with them). This diversity is what membership and **Fitness, Fun and Friendship** is all about in a modern Club.

We've seen some amazing achievements in the last month, starting with the **2022 Busselton Jetty Swim**. The Club was represented by 21 Members in the Solo and 7 members in the Mile to Shore. Some terrific times were swum and I know we all benefitted from the training across the summer from Andrew Sexton – who was at the finish line with his stopwatch. In the Mile-to-Shore we had age group wins from **Richard Stubbs** and **Maureen King**. Can I also note the many members who volunteered out on the ocean and in the registration and setup crews. Read the full story in this Newsletter.

Rhonda Pearsall and **Julie O'Conner** swam the SOLO crossing of the Rottneest Channel last Saturday in tough conditions. It was the girls first crossing and for those who have swum (a long way behind them...) around the Jetty – they reaped the benefit of the 100km plus monthly training sessions – along with at least five x 10Km swims I'm aware of. Joined in a 2-man team was **Simon Keall** (Winged Keall), with paddle support from member Julian Suthers. Footage of the boys crossing the finishing line is worthy of their efforts – noting the huge effort by support crafts and paddlers for all the competitors. Also swimming many of our extended family, including our son Ewan swam and Jack – Trish's grandson, who paddled. For those that haven't followed the swim, the South32 App allowed you full coverage of every swimmers path across to Rotto – technologically brilliant and flattened Gail's phone and then she flattened mine!!

This year about 10 of us swam the **Barretts 40th Anniversary** swim at Koombana Bay in Bunbury on the same day as Rotto – into a stiff headwind and choppy conditions. The event started 40 years ago. A full Report has been provided by Colin – who must be congratulated for organising us and also taking out the inaugural Brian Smith Challenge Trophy. The Trophy went *straight to the "pool room"*. Literally!

Finally, about 20 of us swam the **Jetty to Jetty at Flinders Bay Augusta**, then had a long table lunch with our swimming family – about 30. Thankfully the Jetties at Augusta are only 75 m apart, so, the braver ones tackled the swell and made a 200m loop. The day was more social and fun, with a modicum of fitness and plenty of talking. A very noisy outdoor table and good food.

To sad news. You will read in the Newsletter an Obituary by Darryl Kelly, for the untimely death of **Tim Alcorn**, (pictured on the right) a member and stalwart of the early days of the Club, and who donated the Alcorn Cup. Tim was a wonderful, happy and exuberant man. He livened up any occasion and we had all hoped he would return to Busselton from Tamworth to again swim with us. Tim drove to NSW after awaiting our Saturday Club swim and a coffee. We will honour the man and his Cup in our annual Awards.

President's Pen - continued

RESTART 2022 is well advanced. Thanks to the popularity of the concept and efforts by the Committee, we have 25 people signed to do the 4-week program, coached by Andrew Sexton, and supported by Trish and Donna. We run the program each year and is free to non-members. Many of you started under this program – and we look forward to, and welcome many more members joining.

GLC Swimming - As advertised 7pm **Tuesday and Thursday night** sessions have moved to a focus on mid distance and fitness. Tuesday is probably the easier night so come and join us. **Peter Pav** will be back coaching again Tuesdays starting on March 29th for those that also love his sessions, with the added stroke variability and change of pace. Remember **Trish's Fishes** are on Mondays at 8:15 and our weekly special swim, **Open Water Swim Saturday** at 8:30 sharp at the nets. Later in April /May we will be starting a **Wednesday Afternoon group** too – as a trial – so read about this later in the newsletter.

Masters Swimming Western Australia Annual Awards, 17 Feb 2022 in Perth

Tricia Miller was proposed by Busselton Masters Committee as the Club's Nominee for the State's annual Perc Edwards Award. Tricia is one of the foundation members of the club and has carried our secretarial and coaching duties in the club since its inception. Trish has encouraged us all to participate, improve and excel our swimming, and our bike riding!

I was advised that Trish was only a few points away, and declared runner up of the Perc Edwards Award.

Masters acknowledged the exceptional contribution Trish has made to our Club, and WA Swimming, and, on Andrew Stanbury's behalf we extend his and our gratitude. Kareena Preston will be down soon and will pass on the States congratulations in person.

COVID-19 has arrived as we expected, and it will likely cause us difficulty with some events and access to social activities. However, we will try and keep our program as unchanged as possible. One event we are unlikely to be able to hold as planned in April is Ceinwen Roberts Ultra distance talk and Open Water Session. We had hoped to have her presentation and a Pot Luck dinner at that stage – but given a forecast of peak numbers then, we have decided to postpone. We will get Ceinwen back later to tell her stories and share her skills.

Yallingup Social Swims have resumed Tuesdays at 10:30 am in earnest. The members swim under their Yallingup alias – Salty Sea Fossils. Swimmers take a packed lunch and thermos to the lawn near the Yallingup car park afterwards. I think it's become an eating group who swim!

As you've also felt this week, the days are turning as we enter the second summer season, **Bunuru**, with some milder conditions and dews overnight. With hopefully 6-8 weeks of the nets left, join us Saturday mornings for our 8:30 Club swim and celebrate the *Fitness Fun and Friendship* we all share together.

Remember – this Sunday 6th March, at 8:30 we are heading to the end of the Jetty to snorkel and look at the fish – instead of swimming past. **Meet outside the Equinox 8.30am** and remember to update your Jetty Access pass or bring cash.

Congratulation to **Danny Forestier** – 80 years old (March 6th) and still swimming strong.

Next Committee meeting – 20th April (tbc).

See you all in the water... Richard George, Club President.

SOUTH32 ROTTNEST CHANNEL SWIM 2022

The South 32 Rottnest Channel Swim is a 19.7km open water swim from Cottesloe Beach to Rottnest and was held on Saturday 26th February 2022. Some of our club members competed this year and battled the very difficult conditions, 1.5m swell and strong winds.

Simon Keall was in a duo (with Greg Madden) and supported by **Julian Suthers** who paddled. Simon and Greg came in well, the time was 7hours 15mins and 38 seconds.

Julie O'Conner and **Rhonda Pearsall** swam the Solo, a phenomenal feat as this was their first Rotto Swim. Coming in together 7 hours and 46 minutes. The Rotto Swim is such a complex event to participate in. Each swimmer has to find a boat with a willing and able crew to support them, plus a paddler to accompany them all of the way. The craft have to be able to withstand some decent swells and support the swimmers the entire way.

Above - Rhonda and Julie crossing the finish line

The radio chatter on the boat gives constant updates on the progress of the race and the demise of the other swimmers, boats sinking, craft faulting and teams having to pull out. At the 10 km mark if you haven't made it by 12md you are out. Then if you don't make the 17km mark by 2pm your race is over. The current is constantly trying to push you off course and many of the swimmers and crews battles sea sickness as well. Plus the reports of sharks passing through the event!

Above and below, Winged Keall and their support team.

From a spectators perspective the swimmers and boats had GPS trackers so we could track their progress all day! Our Coach Tricia had a grandson paddling for his girlfriend's team and Richard and I had our Son swimming in a team as well.

You would think we had swum the race with them, such was the exhaustion and stress of following them in such difficult conditions!

Then we all had to take off to the Barrett's Swim through in Bunbury for the 3pm swim, on the same afternoon!

The 40th Barrett's Swim Thru

Members of Busselton Masters at the recent **Barrett's Swim Thru** in the Leschenault Inlet, in Bunbury. The event is run by William Barrett and Sons Funeral Homes. The 40th Barrett Bunbury Swim Thru, presented by the City of Bunbury Surf Life Saving Club (Inc) Old Boys Club, was held in the Leschenault Inlet, Bunbury on Saturday 26th February 2022. This is a great, family friendly event, raising funds for the City of Bunbury Surf Life Saving Club. This year, the event donated \$5000 to the City of Bunbury Surf Life Saving Club!

40th Annual Barrett's Swim Thru

The Busselton Masters Swim Club had eight entrants in the 40th Annual Barrett's Swim thru' on Saturday 26th February.

Including Suzanne, Lindsay & Steve first time swimmers in this event The Bunbury Estuary that gets swum in just once a year at this event was a bit more choppy than usual with a stiff breeze.

The conditions meant that most swam slower than their nominated times. Steve won his age group with fastest time & Colin took home the Brian Smith Challenge Trophy – we are not sure exactly why, but concluded it was awarded in recognition of promoting the event amongst our Club.

The event was well organised, as usual, thanks to Nicole from Barrett's, and all enjoyed social BBQ afterwards & amusing banter during presentations. For those members that have been thinking about this one – it is just 1.6km; it is not a race and is lots of fun so put it on your list for next year.

Obituary Tim Alcorn 10 January 2022.

It is with great sadness we advise, that on 10 January 2022 Tamworth NSW, Tim Alcorn passed away suddenly.

Tim joined the Busselton Masters Swimming Club in late 2016 bringing with him a vast coaching experience within other sporting fields. He had a great sense of humour and a wonderful caring nature always there to help other members. Tim was active within club joining the committee in 2018. Tim represented the club at the WA Sports Star Awards in February 2018, (Busselton Masters Swimming Club, was one of the 3 finalists).

Always passionate to uphold the Masters principles of Fun, Fitness and Friendship Tim would volunteer his time to fill coaching duties when needed. You would always be assured that Tim would have a fun event up his sleeve when coaching.

Unfortunately, Tim relocated to Tamworth NSW April 2019 to start a new working adventure.

To remind the club of his wonderful contribution we have the

TIM ALCORN TROPHY (special achievement award).

On behalf of the club we send our condolences to Tim's family, Lauren, Josh and Danny.

"GONE FROM OUR SIGHT BUT NEVER FROM OUR HEARTS"

RIP TIM.

Try Finding your Bike

In Holland, most of the population ride bikes. It's called a Fiets. (sounds like feets). It's a way of transport like no other, pretty much from birth to the grave. Pregnancy doesn't stop them, the weather doesn't them, even ride with a child on the back, one on the front. It is energy efficient, great body workout and it's very social as well. The Augusta Social Swim Granny's Pool

20 ocean swimmers tackled the rock and roll ocean at Augusta!
It was great fun swimming in the surprisingly warm, 22.5 C water

We started off the day at a local coffee shop, then after the swim we headed to the Augusta Hotel for a fantastic meal...

Very good food and lovely fresh seafood.

Colin again did a fabulous job of coordinating the day out.

Brilliant fun, we will definitely do this again!

Just to let everyone know I have agreed to take on this new role on the Committee. Regular Social Open Water Swims will continue throughout the summer season as normal.

Listed below are a selection of Open Water Events that BMSC Members have enjoyed participating in previously. I hope to provide information for each event particularly for those who are first timers and to help coordinate if required.

Members will need to choose & register for events themselves – Info for OWS Koombana Bay attached. WOW Jetty to Jetty at Woodman Point in March usually sells out fast so early registration is recommended – Registration opens Monday 8th November <https://www.jettytojetty.org.au/>

Dates also on Busselton Masters Calendar <https://www.busseltonmastersswimming.com/>
