The Youth – Future of
the Church!**

I am very grateful and fortunate to lead this community of St.

Patrick's. I can see the future of the Church here because I can hear children's cries at Mass and I can see the future of the Church through the Youth Group here at St. Patrick's.

We have 25 High School Youths in our parish this year and three Youth Ministers. I am very excited to work with them this year to help our youths to grow in faith and appreciation the Catholic Faith that we have. Regarding to that, we are going to take our Youth Group to experience the Catholic Faith through a larger community by attending NCYC – National Catholic Youth Conference in November 18-20 this year. This event happens every two years and we have around 20,000 youths in the United States get together in Indianapolis to learn more about their faith, to share their faith, and to practice their faith by celebrating the Sacraments together.

This year we will bring 16 youths in our parish to attend this event. We have been working very hard to help our youths to attend this event by doing a lot of fundraisings although their parents already helped with the event tickets (\$265.00 each). We did "Yard Work" last Saturday; served "Donuts" after Sunday Mass, and did "Car Wash" last Sunday. It was a great success through your generous supports and we raised \$2,485.00 last weekend. We still in great need and please consider to help our Youth Group because they are the future of the Church in Wheatland!
