What Psychology classes have you taken (indicate if they were at a school other than OSU) and what grades did you get?

Have you been a research assistant before? If yes, for whom?

Briefly discuss your interest in Social and/or Evolutionary Psychology. Specifically, what questions and/or ideas from your psychology classes have you found especially interesting and why?

Are you thinking about grad school? If yes, in what area (e.g., Developmental Psychology, Social Psychology, Biology...etc.)
