I'm trying to make an animation with paper dolls, does anybody know how to do it?? Thanks in advance, -Pablo V. A: Here is an example of a set of animations for paperdolls. Using a right click, I have added all the animations that I needed, so that the paperdoll will be waving. I was referring to this example (commented) in the next link. B playersQ: O que é um código compilador para programação orientada a objetos? Já li as definições para o compilador e as definições para o objeto, entretanto, não estou entendendo bem as relações entre ambos. Será que posso dizer que o que ele faz é verificar e alterar a sintaxe de forma que os dados são alterados nos slots (ou outro componente) e na regra de reescrita (objeto)? Ou existe uma definição melhor? O Código é o texto que o programador escreve no seu programa.
