Or do you have a special butler for that who is currently reading this article for you while you're just lounging around being fed grapes? Well tell him he's fired because reading is great and we have a selection of great Minecraft books that prove it! We've built up such a steady portfolio of ace Minecraft reads over the years that I'm not sure why all the other writers don't just pack it in to be honest. Charles Dickens just has to accept that A Christmas Carol, as great as it is, hardly teaches you anything about how to use Redstone. So here's a short of every Minecraft book, and for whom they are perfect! You shouldn't have much trouble finding them in all the good book books Maybe even in a few evil book retailers too? MINECRAFT: THE ISLAND Max 'World War Z' Brooks takes a break from writing about zombies to, er, write about zombies? Yes! This novel deals with his experiences of trying to survive on an island in Minecraft. Our hero swims to the shore, beats trees, gets to know/ries not to get destroyed by local mobs and fights to survive... But there is no going back from 'game over' on this deadly island! PERFECT FOR: Who is looking for a fun novel with a Minecraft twist. Anyone who can relate to how hard it is to survive in Minecraft when we spawn you on an island in the middle of nowhere (yes, sorry about that). Try a free example of Chapter One here. Buy the Island here MINECRAFT: BLOCKOPEDIA Beloved by block fans and loathed by trying-to-get-it-to-stay-on-the-damn-shelf fans in equal measure, this beautiful coffee-table-worthy tome is a thorough guide to the many blocks of Minecraft. Learn about their usage, origins, secrets and where to find them in the game! It's great for the 'blockhead' in your life (bonus tip: don't call Minecraft block fans 'blockheads'. They react badly, for some reason). PERFECT FOR: Anyone with an inventory full of colorful cubes and not the foggiest about what one of them actually are. Block of the Week fans who want to enjoy minecraft blocking facts without one of these website cruel 'wait seven days between BOTW tranches' tyranny. Buy the Minecraft Blockopedia here. GUIDE TO REDSTONE Some of the crazy constructions that players achieve with redstone leave my jaw on the floor and my self-esteem in tatters. After all, I can barely swing a pickaxe, while players in Minecraft have used redstone to build working calculators, working computers, Rube Goldberg machines and houses littered with traps that even the child of Home Alone would call 'a bit much'. But in a good way! This easy-to-use guide will transform every player from red-built beginner to redstone expert in no time. Watch a preview here. PERFECT FOR: Any builder, beginner or expert, looking to increase their Redstone skills! People who bought 'Minecraft: The Island' by mistake and don't understand why their redstone skills aren't improving. Buy the Guide To Redstone here. GUIDE TO THE NETHER AND THE END Sure, we could spend Christmas sat around a roaring fire, singing carols with our awful families. Or, if we're feeling a little braver this festive season, maybe it's time to venture to The Nether and The End? Unfortunately, even the heaviest of Minecraft players are reduced to sobbing babies by the horrors these legendary areas Fortunately, this book transforms your step-by-step nether beginner into a player that is more hardcore than the middle of a diamond apple. Good luck! PERFECT FOR: Players sick of dying as soon as they get into The Nether or The End (so, me, basically). Anyone looking to increase their survival skills! Buy the guide for Nether and The End here. GUIDE FOR CREATIVE Easy the best part of my job is getting new spectacular builds showcase of amazing Minecraft players every week on this website. Here are just a handful of examples. But don't be intimidated! I really believe that anyone can make something brilliant in this game. Our Creative Guide is designed to let you do just that, so you'll learn more about what makes a great build and how you'll create your own Minecraft masterpiece that will make you the envy of blockheads everywhere. Maybe we'll be with your build on Minecraft.net next year? PERFECT FOR: Creative players looking to improve their building prowess! Anyone who wants to build them to the next level. People who would rather eat a box of their own hair than play survival mode. Er, each to their own, I guess. Buy the Creative Guide here. GUIDE FOR EXPLORATION Sick of straying for supplies, then getting lost and never seeing your house again? Tired of going for a swim and then realizing that you've actually gone for a drowning? Still not figured out how the heck you're meant to craft a map? Don't worry, soon ace explorer! This guide lets you navigate your Minecraft worlds with ease in no time. PERFECT FOR: Anyone who can't find their home (in the game – if they can't find their home in real life, then 'successfully reading a book' might be a little outside of them). Buy the Guide To Exploration here. THE OFFICIAL MINECRAFT YEAR 2018 A book that contains some brilliant words from Marsh Davies and no silly phrases from Tom Stone? Sounds like bestselling material to me! This official annual is officially full of builds, guides, features, more, more, some more weather... It's as if someone took all the insight from everyone worth speaking at Mojang, slapped it between two hard covers and then lobbed it on the boards. But forgot to involve me. Not that I'm bitter or anything. A great round-up of 2017 in Minecraft! PERFECT FOR: Owners of the The Official Minecraft Annual 2017 who have been waiting impatiently for the sequel for 364 days. Otherwise, even the most casual Minecraft fan gets something out of this annual! Buy the official Minecraft Year 2018 here. EXPLODED BUILDS: MEDIEVAL FORTRESS According to self-described 'history nerd' Marsh Davies, this beautiful book is full of minecraft and medieval facts, and full of beautifully rendered diagrams that show how every piece of your mighty castle comes together. It has ramparts, dungeons, everything in between and a good deal outside too, from Ye Olde taverns to busting market squares. It's also not just about antique architectural artistry: the book contains detailed explanations of redstone engineering, which helps you to fall rooms, a switch-activated portcullis, ballistas and more. PERFECT FOR: History fans. People People want to build in Minecraft medieval style. All they're tired of is Emily breaking into their current fortress. Take a sneak peek hereBuy Exploded Builds: Medieval fortress here. THE SURVIVOR'S BOOK OF SECRETS Who are the mysterious survivors? What secrets do they have? Essential. Legendary. Those you need to know if you want to follow in the footsteps of these underground experts and learn new skills for crafting, fighting and survival. Or maybe you're just looking for a smaller sized book that fits in a stocking? Both work! PERFECT FOR: Players who like to read on the go and want a book to slot it into a jacket pocket. Anyone who just comes into the game. Pretentious types who refuse to pick up a book that doesn't have Latin on the cover. Buy the Survivor's Book of Secrets here. MOBESTIARY The artwork in this wonderful guide to the mobs of Minecraft is absolutely unparalleled. More attractive than even our most handsome readers - seriously, I don't care if you're Beyoncé Knowles (jk if you're reading this Beyoncé, and thank you very much for reading and supporting my writing career over the years). Learn about all the mobs in Minecraft while you're oohing and ahhing about Anton Stenvall's wonderful sketches. A coffee table must have! PERFECT FOR: Artists who love to draw Minecraft stuff and are looking for inspiration! Monster hunters love to find out more about the mobs of Minecraft. Anyone who has ever spent a worrying amount of time thinking about the anatomy of a Creeper. Buy the Mobestuary here. Enjoy the books! READ ON. Read.
