The screenshot shows the 'View Maps Onboard' window of the Evinrude Diagnostics Software Program (version 5.7.6). The 'Package View DI' tab is active, displaying a list of 45 engine software files. The list includes columns for Software Number, Engine Family, Cyl, HP, Suffix List, Rev List, and Comments. A 'Refresh' button is located at the bottom left, and a 'Close' button is at the bottom right. A status bar at the bottom indicates the dealer information.
