Teachers' Arrangements 2025

Judy Clifton dedicated her beautiful Sogetsu Arrangement in honor of June Mason

In Memoriam

June Mason

1923 - 2025

June Mason began learning ikebana with a Sogetsu teacher while living in Japan (her husband was stationed there with the U.S. military), and continued her studies with Sensei Sumiko Lahey after relocating to San Diego.

She joined the San Diego Chapter of Ikebana International in 1971. She participated in local exhibitions including our Chapter's Spring Show, Holiday Showcases, and the North American Regional Conference held in San Diego in 1988. June was a talented ikebana practitioner who also participated in Art Alive.

June served as the Chapter Liaison to the Japanese Friendship Garden in 2002-2003 when our members created Tokonoma arrangements every other week. She also held origami classes as part of the Chapter's Related Arts program.

June was an active member until she relocated to an assisted living residence and transportation to meetings became too difficult, but she continued her membership in our Chapter until her death this Spring of 2025 at age 102.
