

Chronological Essay Structure
Thesis Paragraph
Background (Optional)
Thesis Statement (1-2 sentences)
“Road Map” of later paragraphs
Body Paragraph #1: Early/Beginning Time Period
<ul style="list-style-type: none"><li>Beginning Situation (start with “changing <i>from what?</i>” so the reader can recognize the later changes in the paragraph)</li><li>Change(s) at/near beginning date, including description of the type of change (sudden, gradual, etc.)<ul style="list-style-type: none"><li>Evidence of change (if possible, name a specific example that represents this change)</li><li>Analysis of the <i>process</i> of change (What <i>caused</i> the changes? What were the later <i>effects</i>? How did these changes propel history into the next chronological era?)</li></ul></li><li>Comparison to the larger Global Context (How do the examples in this paragraph compare to the larger world context during the same time period or during the next time period?)</li></ul>
Body Paragraph #2: Middle Time Period. (same characteristics as above)
Body Paragraph #3: Late/Ending Period (same characteristics as above)
Body Paragraph #4: Continuities
<ul style="list-style-type: none"><li>What characteristics exist throughout the entire time period?</li><li>Analysis of the continuities (What <i>caused</i> the continuities?)</li><li>Global Context (How do these examples of continuities compare to the larger world context during the same time period?)</li></ul>
Concluding Paragraph (recommended, but optional)
Restatement/summarization of Thesis
