Words From Our Pastor

Welcome Home Family! We have heard the call for enhanced modes of communication and I am excited

for the publication of our first edition of our relaunched News Scope newsletter. As we enter this season of Lent, a season where we focus on themes like reconciliation, repentance and forgiveness of sin through Christ's Calvary crucifixion- may we be moved to "examine ourselves" and be mindful of who WE may also need to forgive and be reconciled with. Finally, does your ministry have something important for us to highlight or share? Head to the "Requests" section of the church website to request a spotlight in next month's scope. Blessings!
