PVT LTD**

FEBRUARY 2026

ABOUT THE COMPANY

INTRODUCTION

Founded in 2014, Joshiya Maldives has proudly served the Maldives for over a decade, building a strong reputation for reliability and excellence.

Originally established as a dedicated fuel delivery service, the company quickly gained recognition for its commitment to efficiency, safety, and customer satisfaction.

To streamline the works, in 2022, Joshiya Maldives registered Joshiya Construction under the main company. Leveraging years of operational expertise and a deep understanding of local infrastructure needs, the company now provides high-quality construction solutions, ensuring durable and innovative developments across the Maldives.

With a decade of experience and a commitment to continuous growth, Joshiya Maldives remains dedicated to delivering top-tier services, meeting industry demands, and contributing to the nation's economic progress.

OUR KEY PEOPLE

MOHAMED SIYAM

Mohamed Siyam serves as the Managing Director of Joshiya Maldives, overseeing the company's fuel operations with a strong commitment to reliability and quality. With years of hands-on experience in the industry, he brings deep operational knowledge and a disciplined approach to fuel supply management. Known for his uncompromising standards when it comes to fuel quality and safety, Siyam ensures that every delivery meets the highest expectations. Originally from Thoddoo, he combines island-rooted understanding with practical expertise to drive the company forward.

OUR KEY PEOPLE

IBRAHIM SHIUREE

Ibrahim Shiuree serves as Director of Joshiya Maldives, bringing extensive experience in construction and infrastructure development. He previously served as an Executive Board Member of Maldives National Association of Construction Industry (MNACI), contributing to the advancement of industry standards and professional practices within the sector. With years of involvement in airport development and major construction projects, Shiuree offers strategic insight, technical expertise, and leadership that strengthen Joshiya's operational excellence across all projects.

OUR KEY PEOPLE

AMINATH SUZAN

Aminath Suzan serves as Consultant to Joshiya Maldives, bringing extensive experience in resort development and turnkey project execution. With years of leadership experience at a leading resort development company, she has been involved in managing complex hospitality projects from concept to completion. A former Executive Board Member of the Maldives National Association of Construction Industry (MNACI), Suzan combines strategic oversight, industry insight, and operational expertise to support Joshiya's growth and project excellence across the Maldives.

Suzan worked on several projects including Dhigurah Residence Maldives and Waldorf Astoria Maldives Ithaafushi, during her time as the MD of one of the leading resort development companies in the Maldives.
